Tunes & Treats is a wonderful example of our Key Club students putting **service into action** and strengthening the connection between our school and the community we serve.

Senior citizens in our community are invited to join us!

🚨 SCHOOL SAFETY REMINDER

Fire Drills

Student and staff safety is always a priority.

Our school will conduct **6 fire drills during the fall**. These required drills help students and staff practice our emergency procedures so everyone knows how to respond safely and efficiently.

Thank you to our students and staff for taking each drill seriously and following directions.

🎓 COUNSELING CENTER

Supporting Our Seniors as They Plan for What's Next!

Seniors and their families: Please remember to check the **Counseling Center Google Classroom** regularly for important **FAFSA information, updates, and resources**.

Miss Lydon and Mrs. Fulgan have also been meeting with seniors to help them plan for life after high school. These conversations are designed to help students explore their individual goals and the many pathways available to them, including:

- College and other post-secondary options
- Career exploration and planning
- Employment opportunities
- Next steps for life after graduation

We encourage seniors to take advantage of these resources, ask questions, and continue working with the Counseling Center as they make plans for their future.
