SPORTS

- Boys Varsity Baseball has a HOME scrimmage tomorrow (3/21) vs. Mount Greylock. First pitch is at 12:00 pm.

HOLD IN PLACE

This afternoon, a "Hold in Place" was briefly implemented at our Secondary school. A Hold in Place simply means that students remain in their classrooms and out of the hallways until released by an announcement. Classroom learning is still able to take place as usual. These procedures are used to maintain the dignity and safety of our students and staff during specific situations.

We sincerely thank our faculty, staff, and students for their cooperation and calm. Special gratitude goes to our counselors and school psychologists for helping us support our diverse student needs. Thank you for your continued partnership.

COUNSELING CENTER

- Seniors went to HVCC this week for their college orientation.
- St. Peter's Health Partners presented to our seniors on digital safety and healthy relationships.
