

GENEVA AREA CITY SCHOOL DISTRICT

STRATEGIC PLAN

2025 - 2026
2026 - 2027

Honoring Our Roots, Soaring into Tomorrow - The Eagle Way

GOALS

Student Success

Create an environment that fosters belonging, engagement, and continuous improvement in academic achievement.

Financial Stewardship

Ensure long-term financial stability through strategic planning, responsible resource management, and transparent communication that builds community trust.

Community Engagement

Strengthen relationships with families, community and regional partners, and local businesses through open communication, collaboration, and shared commitment to student and district success.

Operations, Facilities & Safety

Maintain safe, efficient, and modern learning environments through secure facilities, strengthened technology, and long-term planning that supports students, staff, and the community.

GOALS INITIATIVES

Student Success

- Foster a culture that supports social-emotional well-being, inclusion, and a strong sense of belonging for every student.
- Align and strengthen instructional practices from PreK–12 to ensure consistent, high-quality learning experiences and targeted supports for all learners.
- Provide resources, enrichment, and innovative learning opportunities that encourage students to explore, discover new opportunities, and reach their full potential—challenging and engaging learners at every level.

GOALS

GOALS	INITIATIVES
Financial Stewardship	• Develop a long-term, comprehensive financial plan that addresses maintenance, technology, and capital improvement needs while exploring diverse funding sources. • Increase transparency and community trust by proactively communicating district financial information in clear, accessible ways.
Community Engagement	• Build and sustain strong partnerships with families, community and regional organizations, and local businesses to enhance student opportunities and community pride. • Create and promote meaningful engagement opportunities that foster open communication, collaboration, and shared responsibility for district success.
Operations, Facilities & Safety	• Develop and implement a facilities and equipment replacement plan, including student activity vehicles, maintenance vehicles, and equipment. • Design and construct a modern athletic facility on the Geneva Campus that meets the needs of students and the community. • Strengthen the district's technology and cybersecurity infrastructure by implementing multi-factor authentication (MFA), conducting annual training for all staff and students, continuously monitoring and reducing system vulnerabilities, and integrating updated technology into building security. • Maintain and regularly evaluate district safety and security protocols, implementing updates and new procedures as needed to ensure a safe and prepared learning environment.
