SUBJECT: Transportation Incident Update

Dear Coshocton Families,

If you have not already heard, one of our buses was involved in a minor accident yesterday afternoon.

No students were injured. Our transportation staff responded quickly and followed safety procedures, building administrators arrived at the scene to assist students and notify families, and first responders provided support to ensure everyone's safety.

I want to thank the Coshocton County Sheriff's Office, Coshocton County EMS, Coshocton Fire Department, Mayor Mark Mills, Coshocton Street Department, Prince's Wrecker Services and Coshocton County EMA for their quick response and support. I also want to thank our amazing bus drivers, teachers, and support staff who stepped up to make sure students were safe.

The safety of our students is always our top priority. While this was a concerning situation, I am proud of how our community came together to support students and families.

Sincerely,

Matt Nicholas
Interim Superintendent
