COSHOCTON CITY SCHOOLS

Happy Thanksgiving

A MESSAGE TO OUR CCS FAMILIES | NOVEMBER 2026

Dear Coshocton Families,

The leaves are nearly gone, and we are quickly heading toward winter. With snow and the holiday season ahead, I view winter as a time to reflect on the year past and look ahead to the renewal that spring brings—a chance to slow down and focus on what is truly important.

Thanksgiving gives us a chance to do just that. Before the holiday season gets too busy, I hope you can take some time to enjoy being with family and friends, whether that means a big gathering or a quiet evening at home.

At Coshocton City Schools, we are thankful for the opportunity to be part of your children's lives. Thank you for trusting us, supporting their learning, and working alongside our staff. The partnership between home and school helps our students feel supported and gives them the encouragement they need to grow.

As we head into Thanksgiving break, I hope you have a chance to rest and spend time with the people who matter to you. Ask your children what they are enjoying at school, share a story from your own childhood, or just enjoy a little time together.

I'm grateful to be part of Coshocton City Schools and to serve this community. Happy Thanksgiving to you and your family.

Matt Nicholas
Superintendent
Coshocton City Schools
