Subject: Expectations for Appropriate Conduct on Campus

Dear Parents and Guardians,

Our school is, first and foremost, a place of learning. In order to maintain a safe, respectful, and productive environment for all students and staff, we must ensure that everyone on our campus models appropriate behavior at all times.

Recently, there have been instances of inappropriate adult conduct on school grounds, including the use of foul language and disrespectful interactions with staff and students. This behavior is unacceptable and will not be tolerated.

We expect all parents and visitors to:

- Use appropriate language at all times.
- Treat staff, students, and other parents with respect.
- Follow school procedures and directions from school personnel.
- Model the same standards of behavior we expect from our students.

Our staff members are dedicated professionals who deserve to be treated with kindness and respect. Likewise, our students should never be exposed to inappropriate language or confrontational behavior from adults on campus.

If a parent or visitor is unable to conduct themselves appropriately, we will take necessary steps to address the situation, which may include limiting access to campus to ensure the safety and well-being of our school community.

We value our partnership with families and appreciate your cooperation in helping us maintain a positive and respectful school environment for everyone.

Sincerely,

Matt Nicholas
