Re: Safety Update from Coshocton City Schools

Dear Coshocton School Community,

I want to inform you about a safety-related report made today by a high school student. District administration and our School Resource Officer immediately began an investigation. At no time was there a viable threat to students or staff.

The student involved has been handled in accordance with Coshocton City Schools' Student Policy and Procedures. Safety is always our top priority. We are grateful to the student who spoke up. This is a reminder of the importance of "See Something, Say Something."

Thank you for your continued partnership in helping keep Coshocton City Schools safe.

Sincerely,

Mark Kowalski
Superintendent
