Matt Nicholas
Superintendent

11/12/2026

Coshocton City Schools Family,

As fall gives way to winter, I want to remind you how we will communicate school delays and cancellations due to inclement weather.

We will notify WTNS, WHIZ, NBC 4, ABC 6, FOX 28, and WBNS 10. We will also share updates through our district social media accounts and send text messages and phone calls through our district notification system.

To receive district notifications, please make sure your family's contact information is current. You can update your information at any time through FinalForms.

Our **Stay Connected with CCS** communication guide outlines how to stay informed, contact our schools, and receive important district updates. You can access the guide using the link below or by selecting **Stay Connected with CCS** on our website's homepage.

Stay Connected with CCS

If you have any questions about district communications, please contact your child's school.

Thank you for helping us stay connected!

Sincerely,

Matt Nicholas
