THE WEST HEMPSTEAD UNION FREE SCHOOL DISTRICT

The legal name of this School District is the West Hempstead Union Free School District. The boundaries of the District have been set under state law by the State of New York. The State Education Department maintains a close check on standards and what has legally become part of state law through the mandates of our legislature. The state allows a local Board of Education to set whatever additional policies may be deemed necessary for the proper function of the District's schools. The Board is comprised of seven public-spirited citizens who maintain residences within the District and who serve without any financial compensation in the best interests of their community. Board members are elected to office for terms of three years, and once a year, the members of the Board elect a President and Vice President to preside over their meetings.

The District maintains an Early Childhood Center, which includes a UPK program for four-year-old children who reside in West Hempstead, a primary school, an intermediate school and a secondary school. The total school population as of June 2026 was approximately 1,600.

All instructional days will be restored to the calendar. The following days will be utilized in this order: April 26, April 27, and April 30.

A NOTE TO PARENTS

This calendar of school events has been especially prepared for parents and community residents in the West Hempstead School District. All persons connected with our schools will find the information herein helpful. A strong partnership between parents and the schools is an important part of the quality of a child's education. When parents and schools work together toward common goals and when parents and schools expect and enforce common standards of behavior and excellence, children learn and grow.

CONTINUING REGISTRATION

West Hempstead has continuing registration for school elections and votes. Residents may register on any Tuesday or Thursday in the District Clerk's Office, 252 Chestnut Street. Hours are 8:00 AM to 3:00 PM, excluding the lunch hour (12:00-1:00 PM).

BEFORE-SCHOOL AND AFTER-SCHOOL ENRICHMENT PROGRAM SCOPE/WEST HEMPSTEAD ENRICHMENT PROGRAM

The Board of Education accommodates a SCOPE-operated before- and after-school program for children in grades pre-K-6. The SCOPE Program provides a safe, caring environment. Afternoons are spent working on or completing homework assignments, participating in a variety of enrichment activities and enjoying nutritious snacks. Children are picked up by their parents at or before 6:00 PM.

STUDY FIELD TRIPS

Throughout the school year teachers and their pupils may make study field trips. The trips are an outgrowth of classroom study and carefully planned to correlate with classroom work. The number and frequency of such trips may vary according to grade level and the overall educational contribution the administration feels the trip will make to the school program. Special consideration, such as clothing, equipment, variations from school hours, etc., will be indicated when parents receive their advance notification of the planned field trip. Adequate adult supervision is provided by teachers, administrators and/or parents. The number of chaperones will be decided in terms of the number of students, activities anticipated and the ages of pupils.

PEST MANAGEMENT PROGRAM

The West Hempstead UFSD has adopted an Integrated Pest Management Program in accordance with NYS Education Regulations. This program dictates that the least toxic pesticide be used only when absolutely necessary. Any student, parent or staff member may register to receive written notification 48 hours prior to a regulated pesticide application. Individuals may request that their name be added to the school registry at any time during the school year.

All interested parties should contact the District's Pesticide Representative, Peter Mayo, at 390-3105, Monday through Friday, 8:00 AM- 4:00 PM.

EXTRACURRICULAR PROGRAM

Extracurricular activities are considered a necessary part of any well-rounded secondary program of studies. Each student is urged to participate in at least one extracurricular activity or program per year.

The activities program of our schools is constantly being evaluated and programs are broadened and improved by experience. Physical activities, as well as experiences in the sciences, arts, music, social studies, writing, speaking, dramatics, service and hobbies will be offered. The West Hempstead Secondary School offers its newspaper, The Rampage, its yearbook, Westerly, and its literary-art magazine, Ink Blot.

PUBLIC NOTICES

Directory information including a student's name, address, telephone listing, date and place of birth, etc., is available to public agencies and institutions. Parents and/or guardians who do not wish such information to be made available must inform the District, in writing, that the information designated may not be released without prior consent. These letters will be kept on file in the Superintendent's office and there is no need to repeat letter writing each year.

Public agencies are such groups as the Armed Forces, Department of Social Services, police, fire, sanitation department, congressmen and senators, Health Department, etc. Commercial groups are not even considered.

Parental requests for students to receive special education services in nonpublic schools within the District must be made in writing by June 1 preceding the school year for which the request for service is made. Anyone with a question should contact Bridget Karis, Executive Director of PPS, at (516) 390-3242.

CHILD FIND

In accordance with New York Education Law Section 4402 and Part 200.2, 200.4 and 200.5 of the Commissioner's Regulations, the Committee on Special Education is responsible for evaluating preschool and school-age students suspected of having a disability, identifying a disability or determining that no disability exists, and recommending a program and/or service within 60 days of the date of the receipt of consent for evaluation. Referrals may be made at any time during the year.

THE FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

FERPA provides that any local education agency (LEA) that receives Department funds may not have a policy or practice of denying parents the right to:

- Inspect and review education records (34 CFR § 99.10)
- Seek to amend education records (34 CFR §§ 99.20, 99.21, and 99.22)
- Consent to the disclosure of personally identifiable information from education records except as specified by law (34 CFR §§ 99.30 and 99.31)

These rights transfer to the student when he or she turns 18 years of age, or enters a postsecondary educational institution at any age ("eligible student").

Please refer to the District website @ www.whufsd.com under District Policy 5158 regarding confidentiality of student records and notification of rights.

EMERGENCY SCHOOL CLOSING

The West Hempstead School District utilizes an automated communication system. The District will utilize this automated system to communicate with parents in the event of a school closing, emergency situations and information regarding District activities.

Early in the school year, you will be asked to update your contact information including home, work and cell phone numbers. You will also be asked to supply your school with the name and telephone number of a person who will take care of your child/children if you cannot be reached. Please do not select someone who always accompanies you and thus is out when you are out.

If the schools must be closed because of an emergency, the following radio/TV stations will be informed, if possible: WHLI, NEWS 12, WABC, KJOY, WALK, WNBC, FOX 5 and FIOS 1 NEWS.

School closings are posted on the website at www.whufsd.com.

The West Hempstead School District has created a two-hour delayed opening procedure to be used under certain weather-related or hazardous circumstances.

A two-hour delayed opening is used when the appropriate set of circumstances is present. This simply means that public schools will be open at the following times and classes would run on an abbreviated schedule.

Two-Hour Delayed Opening

Chestnut Street Early Childhood Center	10:40 AM
Cornwell Avenue Primary School	11:05 AM
George Washington Intermediate School	10:55 AM
West Hempstead Secondary School	9:43 AM

ALL BUSES, INCLUDING PRIVATE AND PAROCHIAL SCHOOLS, WOULD RUN APPROXIMATELY TWO HOURS LATE AS WELL. Parents/guardians of students who attend private schools are responsible for checking the open/closed status of the school their child attends.

Messages from the District

West Hempstead residents are welcome to become part of the West Hempstead Union Free School District's automated communication system. This system is used to provide public service announcements pertaining to School District matters. Interested residents may become part of the automated system by contacting Mrs. Christine Greco at 516-390-3107. District residents may also become part of an informational email listserv by contacting Mrs. Dina Reilly at 516-390-3119.

2026-2027 INCOME ELIGIBILITY GUIDELINES FOR REDUCED-PRICE MEALS OR MILK

2026-2027 REDUCED-PRICE ELIGIBILITY INCOME CHART Effective July 1, 2026, through June 30, 2027					
Total Family Size	Annual	Monthly	Twice Per Month	Every Two Weeks	Weekly
1	\$29,526	\$2,461	\$1,231	\$1,136	\$568
2	\$40,034	\$3,337	\$1,669	\$1,540	\$770
3	\$50,542	\$4,212	\$2,106	\$1,944	\$972
4	\$61,050	\$5,088	\$2,544	\$2,349	\$1,175
5	\$71,558	\$5,964	\$2,982	\$2,753	\$1,377
6	\$82,066	\$6,839	\$3,420	\$3,157	\$1,579
7	\$92,574	\$7,715	\$3,858	\$3,561	\$1,781
8	\$103,082	\$8,591	\$4,296	\$3,965	\$1,983
Each additional household member add:	\$10,508	\$876	\$438	\$405	\$203

"Family" means a group of related or not-related individuals, who are not residents of an institution or boarding school, but who are living as one economic unit. This includes son, daughter, relatives, etc.

"Income" means all sources of earned or unearned monies before deductions for income taxes, insurance premiums, bonds, alimony, child support, etc., which would be available to the "family" to pay the price of a child's meal.

"Foster Children" – a foster child placed in a private residence, **where adoption is not involved**, would be eligible under the criteria for a family of one, if the income for that child does not exceed the applicable Family Income Scale. This provision is in effect regardless of the gross income of the foster parent.

"Adult" – For the purpose of providing Social Security numbers, adult means all related and unrelated individuals within the household, 18 and over, who contribute to the income of a household by sharing living and food expenses. This does not, however, include individuals between the ages of 18 and 21 if they are eligible and an application has been filed to receive free and reduced-price meals.

NOTE: There is no allowance for hardship deductions from the above revised family Income Eligibility Guidelines. A standard deduction has already been included in all of the above income level figures.

IMPORTANT NOTICE RE: STUDENT ACCIDENTS

We are insured for general liability, which means that our insurance company will defend the School District for any legal action arising out of claims brought as a result of alleged negligence.

We also carry student accident insurance that pays for medical and dental bills not covered by the parents' primary insurance.

ENTRANCE PROCEDURE

The West Hempstead Public Schools are open to all residents between the ages of 5 and 21. To be eligible for kindergarten a child must be 5 years of age on or before Dec. 1 of the school year.

To be eligible for UPK, a child must be 4 years of age on or before Dec. 1 of the school year. To be eligible for first grade a child must be 6 years of age on or before Dec. 1 of the school year. A child who reaches 6 years of age after Dec. 1 may be eligible under these conditions:

- a. If a child has attended and satisfactorily completed a full year's work at a registered nonpublic kindergarten, he/she will be admitted to first grade.
- b. If a child has attended and satisfactorily completed a full year's work in an unregistered, nonpublic kindergarten, he/she may be admitted to first grade only if:
 1. The kindergarten attended provides substantially equivalent instruction* to that provided in a registered or public kindergarten in the opinion of the school authorities; and
 2. The pupil demonstrates physical, social and emotional maturity necessary for success in first grade in the opinion of the school authorities; and
 3. The pupil completes, to the satisfaction of school authorities, a battery of tests selected by the school.

*Equivalency will be judged by using the Regulations of the Commissioner for registration of nonpublic nursery schools and/or kindergartens.

(Note: Attendance at nursery school is not an acceptable substitute for kindergarten and attendance does not entitle a child to be considered for admission to the first grade.)

The Board reserves the right to make other arrangements in the best interest of students who are physically or mentally handicapped or emotionally disturbed.

Finally, the Board reserves the right to exclude insubordinate or disorderly students. Students who are enrolling for the first time must present proof of age to the Central Registration office. A birth certificate or passport is customary.

Public Health Law requires every pupil entering a public, private or parochial school to submit acceptable evidence of having received poliomyelitis, measles, German measles, Hepatitis B, diphtheria, Varicella, Haemophilus Influenza Type B (Hib), and mumps immunizations before being admitted to school. Additional immunizations as suggested by your physician are also recommended.

The only exception from the law may be made upon receipt of a physician's statement that such immunizations may be detrimental to the child's health or a written statement from parents certifying that they are bona fide members of a religious organization whose teachings are contrary to this requirement.

Students who are transferring to our schools from other schools must:

- Present transfer from previous school.
- Present evidence of immunizations as detailed above.

PUPIL PERSONNEL SERVICES

In accordance with federal and state regulations, the West Hempstead District provides appropriate Special Education services to students with disabilities. Any parent who suspects that his or her child may have a disability may refer the child for an evaluation by the Committee on Special Education (CSE) for eligibility for Special Education services. This written referral, with original parent/guardian signature, can be made to their school's principal or to Bridget Karis, Executive Director of Pupil Personnel Services, 400 Nassau Blvd, West Hempstead, New York, 11552. More detailed information on this process is available in "A Parent's Guide to Special Education," which is published on the New York State Education Department's website in English and Spanish and can be found at the following links:

English handbook: <https://www.nysed.gov/sites/default/files/programs/special-education/a-parents-guide-to-special-education.pdf>

Spanish handbook: https://www.nysed.gov/sites/default/files/programs/special-education/spanish-parent-guide_0.pdf

Parents who suspect that their child under the age of 3 may need Special Education services should contact the Nassau County Department of Health's Early Intervention Program at 516-227-8661.

Parent requests for students to receive Special Education services in nonpublic schools within the District must be made in writing by **June 1** preceding the school year of which the request for service is made. Anyone with a question should contact Bridget Karis, Executive Director of Pupil Personnel Services, at 516-390-3242.

PHYSICAL EXAMINATIONS

Section 903 of the State Education Law, which provided for annual physical examinations of all pupils, has been amended to provide periodic examinations. The pertinent amendment provides as follows:

Health examinations will be required in grades K, 1, 3, 5, 7, 9 and 11. Vision screening for distance and near vision acuity will be required within six months of admission to school and in grades Pre-K, K, 1, 3, 5, 7 and 11. Hearing screening utilizing pure tone testing will be required within six months of admission to school and in grades pre-K, K, 1, 3, 5, 7 and 11. Scoliosis screening will be required in grades 5 and 7 for girls and grade 9 for boys.

This examination may be performed either by the family doctor or the school doctor. Notices will be sent home in the fall and the spring concerning this program. Parent/guardian will be notified if a student needs to be referred for medical evaluation following vision and hearing screenings.

All **medication**, including **nonprescription drugs** given in school, must have a **written order from a licensed prescriber. A written statement from parent/guardian requesting administration of medications ordered by prescriber is required.** The parent/guardian must assume responsibility to have the medication delivered directly to the Health Office, in a properly labeled original container. Any questions regarding medication, please see the school nurse.

HOMEBOUND INSTRUCTION

Homebound instruction will be provided for any child enrolled in the West Hempstead Public Schools who is expected to be absent from school for a period of at least four weeks because of a temporary medical disability.

Your doctor must provide the information in writing about the disability and give his/her diagnosis and prognosis regarding the amount of time your child is expected to be absent. This statement should be taken to the school doctor so that he/she can ask questions and determine the advisability of homebound instruction. Your doctor supplies the information, but we must have the school doctor's recommendation before granting homebound instruction.

Homebound instruction is limited to one hour a day or five hours per week for elementary students. Secondary students will receive a minimum of two hours a day or a total of 10 hours a week of homebound instruction.

Homebound instruction is generally not provided after May 15.

HOME INSTRUCTION

Parents of, or persons in parental relation to, compulsory school-age children have the legal right to instruct their children at home. If a child is being educated at home, the local school district must be assured that the child receives instruction in specific required courses/subjects.

Parents who wish to homeschool their children must provide written notice of intent to the school district superintendent and/or his designee. The district must then respond to the family and provide a

copy of the home instruction regulations as well as an individualized home instruction plan (IHIP) form to complete. Parents are responsible for identifying the curriculum materials that they will use to instruct their children in the required subject areas. For additional information, please visit NYSED's website at <https://www.nysed.gov/nonpublic-schools/home-instruction>.

ASBESTOS NOTIFICATION

The Director of School Facilities and Operations, Pete Mayo, is the official designee for asbestos monitoring and abatement activities. Reports which provide comprehensive information on asbestos-bearing materials (Management Plans) are located in his office and are available for public inspection, upon request.

Every six months the District's designee conducts a visual surveillance of each building.

POLICE PROTECTION

Should you notice any act of vandalism or suspicious loitering, please call 911. The information you supply will be kept in confidence and anonymous; reasonable information is also investigated.

SMOKING ON SCHOOL PROPERTY

Smoking and other use of tobacco products is prohibited by students, staff and visitors in school buildings and all school property at all times.

VISITORS

All visitors to any school building in West Hempstead must receive a Visitor's Pass upon arrival. It is recommended that visitors make an appointment by telephone prior to visiting the school.

TRANSPORTATION

Bus transportation is provided for public, private and parochial schools within the District; present policy for distance requirements is as follows:

- For pupils in kindergarten and grades 1, 2, 3, 4, and 5 where the school is located at least 3/4 mile from the pupil's home.
- For pupils in grade 6 where the school is located at least 1 mile from the pupil's home.
- Pupils in grades 7-12 where the school is located at least 1 1/2 miles from the pupil's home. Bus transportation may be provided to pupils attending a private or parochial school outside the district according to the formula listed above as long as the school is located no more than 15 miles from the pupil's home. Transportation will be provided to physically or mentally handicapped children attending special classes or schools as recommended by the Committee on Special Education.

All distances shall be measured by the nearest available route from home and the school using public streets and roads, consistent with Education Law and the decisions of the Commissioner of Education. The Superintendent of Schools or designee shall determine the manner by which distance is measured for the purpose of transportation eligibility.

All distances shall be measured from the curb nearest the front door of each home to the curb at the officially designated entrance of

all public and non-public schools

Bus passes may be obtained from Gina Gandolfo, Transportation Clerk, in the Administration Office, 252 Chestnut Street, 516-390-3112. Pupils who lose bus passes may have them replaced for \$5 the first time and \$5 for each subsequent loss.

NONPUBLIC SCHOOL TRANSPORTATION DEADLINE

The State Education law makes it necessary for parents of children attending nonpublic schools who meet the requirements entitling them to transportation to submit a written request for transportation. For the current school year, all such written requests for transportation were required to have been filed in the West Hempstead School District Transportation Office on or before April 1 of the **previous** school year. For the following school year, all requests for transportation must be filed in writing by April 1 of the current school year. If a family moves into the District **after** April 1, the request for transportation should be made within 30 days after establishing residence in the District. This request for transportation should include the student's name, address, phone number, grade, and the school for which transportation is being requested. Information on how to submit a request for transportation and an application for transportation can be found on our school district website. **THIS REQUEST MUST BE SUBMITTED EACH YEAR.**

CONFIDENTIALITY AND ACCESS

Parents have a right to view their child's records with appropriate administrative staff or their designee. A letter requesting a review must be on file. A copy of the child's record is available to the parent at a cost of 25 cents per page. The District assures and recognizes the law of confidentiality. Additional information is available upon request by contacting the office of the superintendent.

PARENT MEETINGS

Meetings for parents and professional staff are held periodically to discuss programs, orientation of students, pre-college planning, class levels, courses of study and new requirements. These meetings are usually held at a particular school, and parents are notified of such meetings in advance. The various meetings also afford parents and teachers an opportunity to meet informally.

There is an annual Back-to-School Night at each of the schools in our District for the specific purpose of hearing a general report from the teacher with respect to the curriculum being offered.

HONORS AND ACCELERATED PROGRAMS

We encourage all students to take the most rigorous coursework.

Students in grades 9 through 11 may not leave the campus. **Eligible seniors** may leave the campus for lunch only with written parental permission, and they must return in time for their next class period. Eligibility shall encompass academics, behavior and community service during junior and senior years. Students who are scheduled for Study Hall are not permitted to leave the building during Study Hall. There are no free periods. Eligible seniors may also leave for the purpose of dismissal if they have no classes during Period 9.

REPORT OF PROGRESS

To keep parents informed of a pupil's progress, academic information is shared periodically in each school.

At the elementary schools (K-6), report cards are issued four times a year.

At the Secondary School (Grs. 7-12), interim reports are issued quarterly, noting progress in specific areas. Furthermore, report cards are also issued quarterly. All reports are available on PowerSchool.

Parents are urged to contact the school for consultation if for any reason they do not feel a student is succeeding, or if any questions arise about the caliber of a student's work or status.

GRADUATION REQUIREMENTS

SECONDARY SCHOOL

Participation in the West Hempstead Secondary School's graduation ceremony is an earned privilege. Only those students who meet **ALL** the requirements by June of their graduating year will be allowed to participate in the graduation ceremony. Any students who need to take summer school courses or required tests to satisfy graduation requirements **WILL NOT** be allowed to participate in the June graduation ceremony.

SCHOOL COUNSELING/GUIDANCE AND COUNSELING

All of our schools have assigned psychologists and social workers for the benefit of our students. In addition, school counseling/guidance services are regarded as an integral part of the educational process. Counselors provide educational, vocational and personal-social guidance. The counselor assists the student as an individual to make appropriate and satisfying educational choices of adjustments to his/her school environment.

The counselors and psychologists work closely with parents and the school staff and will assist the student when any personal problem seems to be impeding school progress.

LEAVING SECONDARY SCHOOL DURING SCHOOL DAY

No student may leave school for any reason without signing out with permission. To do so is a cut for each period missed. These cuts will not be cleared after the fact even with a note. Students **MUST** sign out after parental contact is made with school officials. Cuts will affect eligibility for extracurricular activities.

USE OF BUILDINGS AND FACILITIES BY ORGANIZATIONS

The procedure for the use of school buildings, fields, and facilities is as follows:

Use of buildings, fields, etc., will be considered in relation to two seasons:

- a) Fall-Winter Season – September 1 to March 31
- b) Spring-Summer Season – April 1 to August 31

Deadlines for filing applications are:

- a) Fall-Winter Season – March 31
- b) Spring-Summer Season – December 31

Applications for the Fall-Winter Season of 2027-28 may be filed anytime up to March 31, 2027. The Board of Education will then consider all applications and approve use as appropriate. Notifications of approval and/or disapproval will be sent to all organizations prior to June 30, 2027. Applications for the Fall-Winter Season 2027-28 received after the March 31, 2027, deadline will be approved only when, and if, facilities are available for use.

Similarly, applications for the Spring-Summer Season of 2027 may be filed anytime up to the Dec. 31, 2026, deadline date, and the District will make appropriate notification to all organizations prior to Jan. 31, 2027. Again, applications received after the Dec. 31, 2026, deadline will be approved only when, and if, facilities are available.

Organizations are reminded that groups must provide proper supervision for participants and visitors so that there is no roaming about the corridors, classrooms and offices in the buildings. Premises are to be left in a clean, orderly condition, and any damage to the buildings from an organization's use will be charged directly to the group.

Please bear in mind that the school functions have priority over all outside organization activities; in the event of a conflict, an organization may be required to shift an activity to another evening, or in unavoidable instances, cancel an activity for a period of time, etc.

Questions regarding building use, dates, etc., should be directed to the facilities department.

We realize there may be some overlapping in seasons for certain activities which is unavoidable; in such cases an organization will be asked to file an additional application.

The District will follow all Department of Health and CDC guidelines, both state and Nassau County.

REGULATIONS OF VEHICULAR TRAFFIC ON SCHOOL GROUNDS

As authorized by Section 1670 of the Vehicle and Traffic Law:

1. The following vehicles, and no others, shall be permitted to be parked on school grounds or property:
 - a. Those vehicles which have been registered with the school office, and for which parking permits have been issued. Such parking permit, once issued, shall be visibly displayed on the vehicle for which it has been issued.

- b. Those vehicles belonging to bona fide visitors in pursuit of official school business, school-related matters or other approved use.

2. Between the hours of 7:00 AM and 5:00 PM on days when school is in session:
 - a. Where specific parking spaces have been assigned to registered vehicles, such vehicles shall be parked only in such assigned spaces. It shall be unlawful for any other vehicle to be parked in such assigned spaces.
 - b. Unregistered vehicles belonging to bona fide visitors in pursuit of official school business or school-related matters, or registered vehicles when at locations removed from assigned parking spaces or to which no spaces have been assigned, shall be parked only in spaces designed for "visitors" parking or in unassigned or unmarked spaces.
3. Parking in areas designated as "No Parking" or "Fire Lanes" is prohibited.
4. No vehicle shall be driven at a speed in excess of 10 miles per hour on any school ground or property.

Any violation of these regulations is a traffic infraction, as provided in the New York State Vehicle and Traffic Law, and the provisions of such regulations may be enforced by the Nassau County Police Department.

SECONDARY SCHOOL PARKING REGULATIONS

Permission to drive and to park on campus is reserved for 12th graders who attend the Mandatory Open Campus meeting in September with a parent/guardian, who are in possession of a senior (D) license, vehicle registration, a current insurance card and who have been issued a West Hempstead Secondary School student's parking sticker (\$10 deposit required). Students requesting a sticker must report to the Assistant Principal's Office in the Secondary School with license, vehicle registration and insurance card. If the vehicle is sold during the year, it is requested that the sticker be removed and returned even if it is damaged. We will then issue a second sticker. No student is permitted to park on campus without a parking sticker.

Seniors may park only in areas designated for student parking, not in the staff parking area. Juniors are not permitted to park on campus.

Seniors must drive safely in the parking lot. They may not leave the campus in their cars during the school day and may not transport underclassmen in their vehicles in violation of the closed campus policy. Seniors may not sit in cars, nor should any underclassmen, subject to closed campus, be in any senior's car during the school day. Failure to follow rules may result in loss of parking privileges.

At no time may students park in the north entrance parking lot.
