To Our Lennox, Worthing, and Chancellor Communities,

On behalf of our students, staff, administration, and Board of Education, we would like to extend our sincerest gratitude to the taxpayers of our school district for your support of the recent opt-out the board approved on Monday, May 11<sup>th</sup>, 2026.

Your support is an investment in the future of our students and a reflection of the pride and commitment this community has for our public education system. Because of your trust and partnership, we can continue providing high-quality educational opportunities, maintain strong programs, support our dedicated staff, and ensure our students have the resources they need to succeed both inside and outside the classroom.

We are fortunate to live in a community that values education and understands the important role our schools play in shaping the future. The continued support from our families, taxpayers, local businesses, and community members allows our district to remain a place where students can learn, grow, and thrive.

Most importantly, thank you for believing in our students. They are the reasons why we do this work each day, and your support sends a powerful message that our community stands behind them and their future.

We are honored to serve this district and remain committed to being responsible stewards of the trust and resources you have provided.

Thank you again for your support, partnership, and commitment to our schools.

Sincerely,

Mr. Adam Shaw  
Superintendent  
Lennox School District
