YEARBOOK ORDERS

LHS parents, guardians, and students: The store is open to order the 2026 yearbooks. If you go to **Balfour.com** all you need to do is click on "**Shop by school**" and then put in Lennox High School and you should be able to see the order forms for yearbooks and other accessories if you want them such as name stamping or icons and more. For the **Early Bird special** the yearbooks are only \$45.00 through the month of April, and then on May 1st the price will go up to \$55.00, and then on June 1st the price will go to \$60.00 with the store closing on June 30, 2026. If you have any questions please let me know or if you have any problems getting in contact me as well. Once again, thank you for your support. Ms. Kirschenmann

Academic Sponsorship – Thank you to the **Taco Vault** in Worthing and **The Jar** in Sioux Falls for your support of our students' Academic Performance. Students with zero missing assignments will be put into a drawing each month for a gift certificate. If your business would like to support student academic achievement in a similar way, contact Chad.Allison@k12.sd.us

YOUTH ENGINEERING & TECHNOLOGY CAREER EXPLORATION

CAMP DATES:

JUNE 14TH - JUNE 18TH

ELIGIBILITY: ENTERING GRADES 9-12

DEADLINE TO REGISTER: APRIL 15TH @ 8:00 AM

About us

The Jerome J. Lohr College of Engineering is excited to offer career exploration in agricultural and biosystems, civil, electrical, healthcare systems and mechanical engineering as well as construction and concrete management. Participants will explore a variety of hands-on activities along with enrichment and social programs designed to assist students in preparing them for the next step in their intellectual, personal, and professional career development.

Cost

- Option 1: \$850.00 - This covers room, meals and activities.
- Option 2: \$350.00 - This covers only the day classes and lunch from 8 a.m. to 5 p.m.
- No Refunds/cancellations after April 15th

STEM Grant

The STEM-1E Program is a scholarship program designed to provide financial support to South Dakota students (rising 6th-12th graders) who would like to attend a summer STEM-based sleepaway camp. Scan the QR code for additional information and to register.

Goals

This program is designed to build understanding, interest, and enthusiasm for engineering and technology as a career. The program provides the following opportunities:

- Hands-on learning and educational experiences
- Engineering design experiences
- Teamwork and leadership opportunities
- Career Exploration in Engineering Technology
- Exploration of other majors and career areas
