JH-HS Assemblies – October 15: Timmy the Dreamer is a youth keynote speaker, founder of Dreamer State University, & former manager of one of the biggest influencers in Los Angeles, Charlie Rocket. Together, they built a social impact movement of over 9 million people, made over 1,000 dreams come true for kids with cancer, disabilities, and those needing a miracle, & collaborated with some of the biggest celebrities on earth like Oprah, Mr. Beast, Steph Curry, and Jake Paul. After achieving some of the biggest dreams in life, he has made it his mission to give back to the next generation of students - the younger version of himself - to help them achieve their biggest dreams in life. Dreamology is the missing class - it's a class about dreams - talking to students about chasing their dreams, mental health, building meaningful relationships, and how kindness truly has the power to change the world.
