Scholarship Spreadsheet (Seniors)

Mr. Breske has a scholarship spreadsheet that keeps track of scholarships, deadlines and other things here:

ASVAB Exam January 15th:

The ASVAB will be offered on Thursday, January 15th at 8:45 AM. This free career exploration assessment helps students identify strengths and explore college, technical, workforce, and military career pathways. Taking the ASVAB does not require any military commitment. **Students interested in taking the ASVAB should contact Mr. Breske to register.**

Sophomore Pre-ACT Exam:

The Pre-ACT will be held on Tuesday, February 25th from 1:00–4:00 PM. This will be an early dismissal day, and participating students will test in the Library.
The Pre-ACT is a great practice opportunity for the ACT, which is used for college admissions and scholarships, and it may also help students qualify for Dual Credit if their GPA is too low.
The **cost is $21** (cash, check payable to *Lennox High School*, or **Venmo: @Justin-Breske1**).
Payment is due by January 31st to ensure enough tests are ordered.

NHS News:
Members have been busy completing various community service opportunities

On December 15th from 1-3 pm select members will be volunteering at Sleep in Heavenly Peace in Tea. Those attending must complete the waiver. Parents will need to acknowledge this for members under 18 (when they fill it out, it will ask them for their parent's email address if they are under 18). https://x.gldn.io/e/6H1RgsdOWYb

On January 10th, NHS members will be serving the "Meal Deal". Members can sign up to bring supplies and volunteer at https://www.signupgenius.com/go/10C054BA5A82DA2FAC25-61195568-nhsmeal. We are also looking for some adult volunteers to assist. If you can help, please contact Mrs. Thill.

On January 15th, we are hosting a bake sale. Each member needs to bring 1 dozen individually wrapped treats. Sign up to work the Bake Sale with Mrs. Thill.

SCREENING America

Unfortunately, heart screenings are not a part of regular well child checkups or pre-participation sports physicals, despite the fact that studies show the standard non-cardio focused approach to youth checkups misses 90% of youth at risk for sudden cardiac arrest.

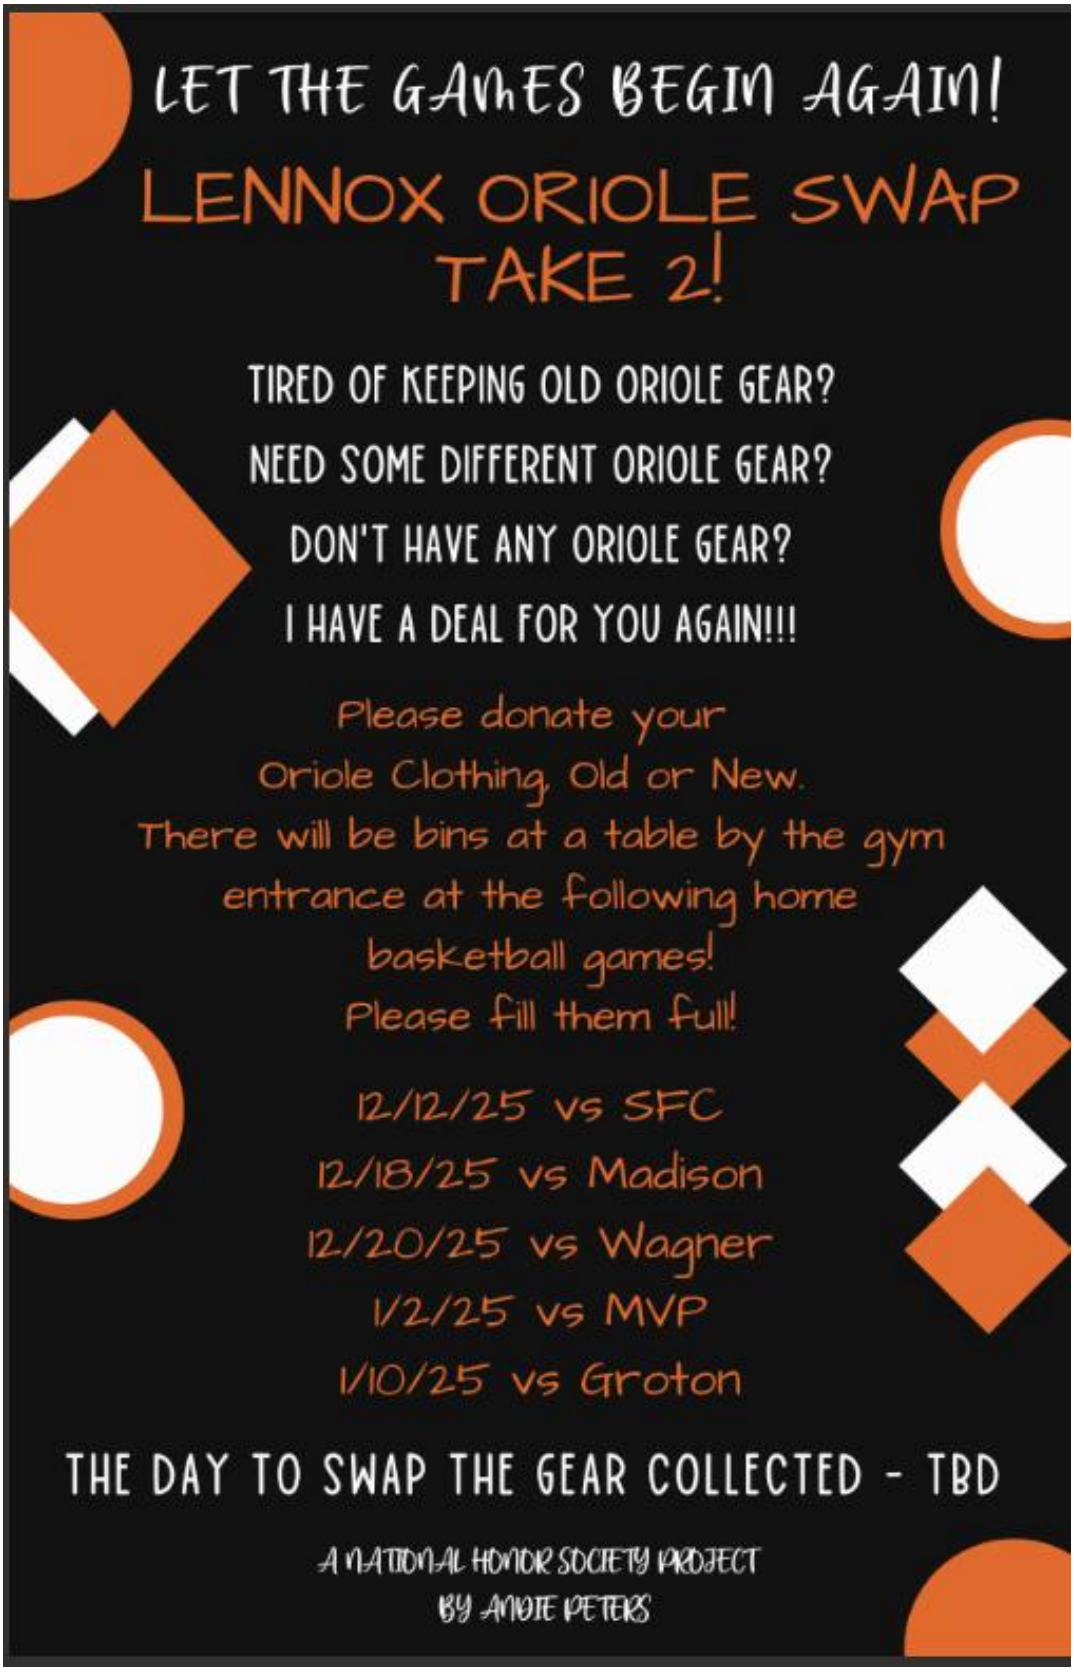

EKG's have been shown to be the most effective screening tool. The fact is that heart conditions that may trigger SCA can only be seen NOT heard. That's why international guidelines recommend youth be screened every two years through the age of 25. In Italy, for example, screenings for high school students have led to a 90% reduction in sudden cardiac deaths.

Screening America offers Sudden Cardiac Death Prevention screenings for young people ages 11-34.

Our Screenings include:

- Health History Review
- Blood Pressure Check
- Complete 12 Lead EKG
- Limited Echocardiogram (Ultrasound of the heart)
- Pediatric Cardiologist Review
- Cost: $99.00, half price sibling discounts (ex. $49.50 for each additional sibling.)

Contact us today and see when we can come to your location.
