

Instructional Materials Replacement Cost List

Administrative Regulation 3515.4 – Recovery for Property Loss or Damage

Pursuant to Administrative Regulation 3515.4, families may be charged the replacement cost for lost or damaged textbooks, consumables, and other assigned instructional materials. If a material is lost or damaged, the school will notify the parent/guardian of the applicable cost. Families who are unable to pay should contact the school principal regarding available options, including the District's voluntary work program.
