

WEST VALLEY COMMUNITY NEWS
SEPTEMBER 4, 2026

You are invited to sign your child up for the children's Bible Club after school, grades K-5. Held on Thursdays from 3:30-4:30 starting Sept. 24th until spring break. Bible Club is sponsored by BCM International (Bible Centered Ministries). BCM has held Bible clubs for children in the Flathead Valley since 1949. BCM International owns and operates Big Sky Bible Camp near Bigfork.
Parents need to sign a permission slip for their child to attend the class. You may bring this the first day or return it to your school office. Also, let the student's teacher know your child is to attend Bible club after school. If there is no school we will not have class. Parents are asked to come into the school to pick their child up after class.
