WEST VALLEY ELEMENTARY CAREER WEEK

MAY 5-8, 2026

Dear Parents/Guardians,

I am excited to announce that West Valley will be having its fourth annual elementary Career Week in May, and we need **YOUR** experiences! We are looking for parents and/or community members who would be interested in sharing about their careers with our students.

We will have guest presenters discuss their careers with students Tuesday, May 5, through Thursday, May 7. Presenters are asked to speak for 10 to 15 minutes (including time for questions and answers). If there is an opportunity for a hands-on activity or some swag to share, that is always a plus! This is a great opportunity to get involved and make a positive impact on our students' futures.

If you are interested in participating in West Valley's Career Week, please complete the attached form and return it to your child's classroom teacher by Friday, April 3, 2026. Please note that regrettably, we will not be able to select everyone that is interested as we have limited openings, so presenters will be chosen on a first come, first served basis. Once a list of presenters is selected, those individuals will be contacted to schedule their presentation. Please reach out if you have any questions or want additional information. Thank you, and we look forward to seeing you in May!

Sincerely,
Anna Porter
K-4 School Counselor
