

THE PEMBROKE POST

ALL ABOUT MARCH

By Riley Tobias

Spring is almost here! We can finally bid good riddance (hopefully) to all of the snow and freezing days and welcome flowers and sunshine back into our lives. There is some warm weather to look forward to coming up. However, we all know it is probably going to be a little longer before we actually see that happen.

People born in March have the daffodil as their birth flower, which can signify rebirth, joy, and prosperity. It's also Women's History Month, so be sure to be a little extra kind to the women in your life this month, and always. They do a lot for you, from making your dinner to making you entirely! Be appreciative and do something nice for the people around you. Buy your mom some flowers or hold the door open for a stranger; it means more than you might think.

Important Dates in March:

- Pembroke's production of *42nd Street* – March 6th and 7th
- St. Patrick's Day – March 17th
- Spring Concert – March 18th
- Start of Spring – March 20th

Fun March Facts:

- March used to be the first month in the Roman calendar.
- Julius Caesar was assassinated on March 15th.
- The first Oreo cookie was created on March 6th, 1912.
- Girl Scouts were founded on March 12th, 1912.

DON'T FALL FOR PRETTY

By Lauren Feitshans

Show me your god
 Tell me what he means
 The beautiful crystal is sharp, the smiles are painted, the dagger will be held by the trusted
 What are their beliefs?
 You don't deserve any of it
 When you see their faces, you'll know
 They will know all too well
 But they resist, they keep the mask tight to their faces
 Don't pick the pretty stone, apple, or home
 They will be crawling with bugs, maggots and termites
 What have they been taught?
 You deserve much better

CLUB NEWS

By Mary McDonald

NATIONAL HONOR SOCIETY:

National Honor Society is a prestigious club where only 11th and 12th-graders with an average of 90 or above can get in. Students must also submit a paper about other clubs, activities, and service they have participated in. Once selected by Ms. Kiel, members can begin logging hours of service to our community or through other organizations, like church groups or Scouts. After submitting a minimum of 10 hours of service, students can include this club on their high school resume, which may help them earn scholarships from colleges. Meetings are held about once a month in Ms. Kiel's room, so listen for her announcements about dates. They meet to discuss new opportunities for earning service hours.

TEACHER FEATURE

By Riley Tobias

Mr. Wilson has been teaching at Pembroke for 24 years. He is a Special Education teacher who teaches Math and Global Studies.

Q: Who would you choose to narrate a recording of your autobiography?

A: Kevin Costner because he has a cool voice in the show "Yellowstone."

Q: Were you in any plays or musicals in high school? If so, what musical and who did you play or what was your role?

A: I was always too nervous to actually be in the play. I hid, which highly contradicts my outgoing personality.

Q: You've been given an elephant, and you can't get rid of it. What are you going to do with it?

A: Take care of it (obviously), then ride around on it and help shovel driveways in the area.

Q: Do you have a favorite coffee mug? If so, what's on it or what makes it your favorite?

A: My favorite mug is from the Dancing Bears restaurant in Lake Placid. It's big and speckled green. It has the right weight and size and can hold almost 16 oz of coffee.

Q: What is your favorite Pembroke tradition?

A: I particularly enjoy the in-school Christmas concert for the band. I believe it's a great way to bring people together and show off Pembroke's talented kids while instilling some holiday cheer.

MUSIC NEWS

By Mary McDonald

March is big for the Music Department. For more than 40 years, March has been officially designated as Music In Our Schools Month, the time of year when music education becomes the focus of schools and communities across the nation. The purpose is to raise awareness of the importance of music education for all children—and to remind citizens that school is where all children should have access to music. There are several ways we celebrate Music In Our Schools Month at Pembroke.

First, there is the musical production of 42nd Street on Friday, March 6th at 7pm, and Saturday, March 7th at 2pm and 7pm.

Second, there is the Spring Concert on Wednesday, March 18th. The bands will perform at 6pm and the choruses at 7:15pm.

Finally, the members of the Music Department who were accepted into All-County will have their concerts on Saturday, March 21st.

FEBRUARY'S CONTEST WINNER ANNOUNCED!

February's candy contest had Dragons spreading the love *and* the guesses as they tried to figure out how many sweet treats filled this month's candy jar. With plenty of close calls and careful counting, the competition was sweeter than Valentine's candy. A total of 39 students submitted guesses, and the final count came to 41 Hershey's Nuggets.

🎉 Congratulations to **Patrick Reeves, Jr.**, who showed both heart and precision with an exact winning guess of 41! Stop by Room 205 to pick up your prize and enjoy those well-earned bragging rights.

MENTAL WELLNESS IN WINTER MONTHS

Sometimes our mental health can suffer during the winter months. The lack of sunshine and cold NY weather can cause feelings of sadness, isolation, and a lack of energy. Here are a few tips from NYSOMH that might help boost your mental wellness this winter season.

1. Plan to keep yourself occupied. What do you want to be doing? Get your supplies out and set up your space to get started.
2. Move your body every day. Staying active can boost your mental wellness. Set a goal that works for you, like 10 minutes of dancing or getting a certain number of steps in each day.
3. Improve your mood with fresh air and sunshine. Bundle up and get outside every day. Consider activities that make it fun to get outdoors, like sledding, stargazing, or hiking in a local park.
4. Reach out to someone every day. Staying connected is so important for your mental health.
5. Do something for someone else. When you are feeling down, acts of service can be uplifting. Consider volunteering for a cause or checking in on a neighbor who is overwhelmed.
6. Try something new. When you've been in the same routine for a long stretch of time, your brain benefits from doing something different.
7. Don't forget your basic self-care: get enough sleep, eat nutritious food, and drink enough water. This helps you stay emotionally well.
8. Get enough light during the day. If you can't get outside, hang out in sunny rooms. If your space is dark, consider getting a light therapy lamp.
9. Reach out for help. It's okay to feel overwhelmed or down in the dumps during winter. Admitting things feel tough and talking about it can help.

MOVIE REVIEW

By Mary McDonald

SEND HELP

This is an R-rated movie where we follow Lindle Ladle, played by Rachel McAdams, who starts as a timid employee at a large company. After being pushed around too much by her new boss, Bradley Preston, played by Dylan O'Brien, their lives take an unexpected turn when they crash in the middle of the South Pacific Ocean. Stranded on an island, Lindle decides she will no longer accept being treated poorly. The story follows her journey as she overcomes Bradley, takes charge, and becomes the new boss on the island.

ARTIST OF THE MONTH

By Mary McDonald

AJR

AJR is a band with Adam as their bass player and vocalist, Jack as a vocalist and guitarist, and finally Ryan, who plays the ukulele and piano and is also a vocalist. These three are very well known for their top two songs on Spotify, both of which blew up on TikTok and other social media platforms, such as "Bang!" with over 539 million streams and "World's Smallest Violin" with 438 million streams. The three have a way of trying to reimagine pop in the 21st century, creating some meaningful songs about life as well as some random, fun ideas.

IT'S RAINING CATS & DOGS!

CATS: MAINE COON

By Kaelyn Yager

Maine Coons are one of the largest cat breeds, weighing about 10 to 20 pounds, and they continue to grow until they are 3 to 5 years old. They have shaggy fur, bushy tails, and cool lynx-like tufted ears, and their eyes can be green, gold, or copper. Their fur comes in many colors, but brown tabby is the most common. Even though they are huge, they are known as “gentle giants” because they are so friendly and affectionate that some people say they act like dogs! Maine Coons are from the state of Maine, and fun facts about them include having water-resistant fur, loving water, and making cute chirping sounds instead of regular meows.

DOGS: BEAGLE

By Kaelyn Yager

Beagles are small to medium-sized dogs that usually weigh under 30 pounds. They have long floppy ears, gentle brown eyes, and short coats that can be white, tan, black, or red, plus an adorable black-and-white tipped tail. Beagles are very affectionate and great family pets, but they are also strong and muscular. They originally came from England, where they were used as scent hounds to hunt hares and even foxes. Fun fact: Beagles have such an amazing sense of smell that some work in the “Beagle Brigade” at airports to sniff out banned foods and other items!

ANIMAL: BEECH MARTEN

By Riley Tobias

The Beech Marten is similar to a ferret and lives in open field areas and forests. They have sharp canines and strong jumping power, paired with great climbing abilities, in order to catch birds. Unexpectedly, this is their main source of food, especially chickens. In the winter, they eat plants like cherry tree stems when food is scarce. They are in the middle of the food chain, being both predator and prey in the natural world. They are absolutely adorable, and if I could have one, I would.

PEMBROKE PLATES

CHEDDAR CHIVE 4-LEAF CLOVER SCONES

Prep Time: 30 minutes

Cook Time: 25 minutes

Total Time: 1 hour 10 minutes

Yields: 5 servings

Ingredients:

1 ¼ cup heavy cream, plus more for brushing
1 large egg
2T low-fat dry milk powder
30 chives
¾ cup lightly packed fresh dill fronds
¾ cup lightly packed fresh parsley leaves
3 cups all-purpose flour, plus more for dusting
1T baking powder
2 tsp kosher salt
4 oz. extra-sharp white Cheddar, grated
2 sticks unsalted butter, 1 cold and 1 at room temperature
flaky sea salt, for sprinkling

Directions:

1. Position a rack in the center of the oven and preheat to 400°F. Line a baking sheet with parchment.
2. Whisk cream, egg, and milk powder together in a liquid measuring cup. Pulse 20 chives, ½ cup dill, and ½ cup parsley in a food processor until finely chopped. Add flour, baking powder, and kosher salt, and pulse until well combined with herbs. Add cheese and pulse a few times to combine.
3. Cut the cold stick of butter into pieces. Add a few pieces at a time to the food processor, pulsing until only a few pea-size pieces remain. Transfer to a large bowl and make a well in the center. Pour wet ingredients into the well and mix with a fork, incorporating dry ingredients a little at a time until a shaggy dough forms (it's okay if the dough looks a little dry, just don't overwork it). Lightly knead the dough in the bowl until it just comes together.
4. Turn dough out onto a lightly floured surface and pat into a ¾-in.-thick rectangle (about 9x7 in.). Use a floured 2-in.-wide heart-shaped cookie cutter to stamp out 20 hearts as close together as possible (to minimize scraps). Arrange four hearts in a four-leaf clover pattern (points of hearts meeting in the center) on the prepared baking sheet. Repeat with the remaining hearts for a total of five clovers, spacing them evenly apart. Freeze for 15 minutes.
5. Brush tops lightly with cream and sprinkle with sea salt. Bake until golden brown, 23 to 25 minutes.
6. Meanwhile, pulse remaining 10 chives, ¼ cup dill, and ¼ cup parsley in a food processor until finely chopped. Add the stick of room-temperature butter and pulse until the mixture is light green and well combined. Serve the scones warm with the herb butter.

ST. PATRICK'S DAY LIME POKE CAKE

Prep Time: 15 minutes

Cook Time: 35 minutes

Total Time: 3 hours 10 minutes

Yields: 15 slices

Ingredients:

1 cup (2 sticks) unsalted butter, softened, plus more for greasing pan
2½ cups all-purpose flour
½ tsp baking powder
½ tsp baking soda
½ tsp fine salt
1¼ cups buttermilk, well shaken
2 tsp pure vanilla extract
2 cups granulated sugar
3 large eggs, lightly beaten
1 box (3 oz.) lime gelatin

Directions:

1. Position an oven rack in the lower third of the oven and preheat to 350°F. Butter bottom and sides of a 9x13 pan.
2. Whisk flour, baking powder, baking soda, and salt in a medium bowl; set aside. Whisk buttermilk and vanilla in a spouted measuring cup; set aside.
3. Beat sugar and butter in a stand mixer (or a large bowl if using a hand mixer) at medium speed until very light in color and fluffy, about 5 minutes, scraping down sides of bowl as needed. With the mixer still running on medium, slowly add eggs and beat until fully incorporated. Reduce speed to the lowest setting; with the mixer running, add ⅓ flour mixture, then ½ buttermilk mixture, then ½ remaining flour mixture, then remaining buttermilk mixture, then remaining flour mixture. Scrape down sides and beat until well mixed.
4. Spread batter into prepared pan. Bake until golden brown and a toothpick comes out clean when inserted in the center of the cake, about 30 minutes, rotating the pan halfway through. Let cool for 30 minutes in the pan. Use a large fork to poke holes 1 inch apart in the top and through the cake.
5. Bring 1 cup of water to a boil, pour over gelatin in a medium bowl; stir until completely dissolved, about 2 minutes. Stir in ½ cup cold water. Pour mixture evenly over cooled cake. Refrigerate 2 hours. Put a large empty bowl in the fridge.
6. Remove cake from the fridge. Whip the cream with sugar and vanilla in the chilled bowl until fluffy; spread over cake. Sprinkle sanding sugar on top. Slice and serve.
