Farm to School
SOUTH DAKOTA

9/26/2025

The Hanson School is looking for partners to start a program called Farm to School at Hanson. Many schools across the state have started using Farm to School to bring better quality food options to their students. Here is a link with more information on the program: https://doe.sd.gov/farmtoschool/

We would like to cooperate with any producers who would be willing to donate locally raised beef to be used for meal preparation for Hanson Students. In addition, we are also looking for donors that would be willing to help with the processing fees that are associated with acquiring the beef.

If you would be interested in helping with this endeavor, please contact the school at 605-239-4387 or josh.oltmanns@k12.sd.us, and we will take names down of those willing to help. We will then set up an information meeting with those who are interested in helping set up the program for our students.

Thank You,

Josh Oltmanns
Hanson School District CEO/Elementary Principal
