September

Great Start to the Year!

We've enjoyed having the students back in the school. The laughter, smiles, and excitement have started. I want to give a BIG shout out to the staff who've worked so hard to ensure all our students have an amazing year. Thank you to our parents for making sure your child(ren) arrives at school on time and is ready to learn. We cannot do this without all of us working together.

If you have any questions or would like to visit with me, please call the elementary office at (970) 854-3411 or email me at kammeran@hcosd.org.

Thank you for your partnership in the education of your child.
Mrs. Kammer

Breakfast and Lunch

Breakfast and lunch are free this year. You are welcome to join your child(ren) for lunch. We enjoy having parents join their kid(s) for lunch, but we ask that you wait until after September 10th so your child(ren) can get used to the lunch schedule and routine of the school day. Lunch times are below.

- 1st/2nd Grade: 11:10 AM - 11:35 AM
- Kindergarten: 11:40 AM - 12:05 PM
- 5th/6th Grade: 12:10 PM - 12:35 PM
- 3rd/4th Grade: 12:40 PM - 1:05 PM

If your child(ren) gets seconds or an additional milk the following prices will apply.

- Extra milk \$0.50
- Additional breakfast \$2.00
- Additional lunch entree \$2.00

Beginning and End of the Day

Students will be monitored and allowed to enter the school at 7:45 AM. Students are allowed to eat breakfast and then head outside for recess until 8:00 AM. Your child(ren) will be considered tardy after 8:05 AM. If your child(ren) is tardy, a parent or guardian will need to come into the office and sign your child(ren) in for the day. There will not be supervision before 7:45 AM.

Please call our secretary, Mrs. Juarez, before 3:00 PM, if you have a message for your child(ren). We have around 300 students and we have to start getting messages out early. We do understand that last minute emergencies come up.

Important Information

Please make sure to call our secretary, Mrs. Juarez, before 9 AM if your child(ren) will not be at school. Students will be dismissed at different times.

- 5th/6th Graders - 3:38 PM and will exit through the front doors
- 3rd/4th Graders - 3:39 PM and will exit through the front doors
- 1st/2nd Graders - 3:40 PM and will exit through the library doors
- Kindergarteners - 3:40 PM and will exit through the doors to the far northwest of the school building

The staggered dismissal allows for older siblings to meet or pick up their younger siblings before joining parents, guardians, or walking home.

Student Safety Before and After School

It is the goal of the city, police department, and the school that we have a great and safe start to the school year! We are providing you with information about the safest routes, rules, and helpful hints.

1. When walking or biking, please use the sidewalks.
2. Avoid alleys and parking lots.
3. Do not walk or ride in the middle of the street.
4. Travel in groups if possible, especially when crossing major intersections. This allows cars to not only see you, but make them stop on time.
5. When riding a bike, scooter, or skateboard, you are required to stop at the stop signs just like a car.
6. Utilize the designated routes which are patrolled and shared with the

- public as streets to be watching for pedestrians and bikers.
7. Wear a bicycle helmet.
 8. Always assume cars cannot see you and will not be stopping.

No Toys Please

Students come to school to learn. Toys are distractions and can create problems. Some teachers allow students to bring toys as a reward for the class. If this is the case, the teacher will communicate to you ahead of time. Thank you for your help!

Water Bottles & Healthy Snacks!

Students should bring a water bottle and a healthy snack with them to school daily. There are places to fill a water bottle at the school, so they can refill it as needed. We also ask that your child brings a healthy snack such as a fruit or vegetable. Please do not send chips, cookies, or candy.

NWEA & DIBELS Assessments BOY, MOY, and EOY

Holyoke Elementary Students take NWEA and DIBELS assessments three times a year; beginning of the year (BOY), middle of the year (MOY), and end of the year (EOY).

NWEA measures students' knowledge in reading (kindergarten-6th grade),

math (kindergarten-6th grade), language usage (2nd grade-6th grade), and science (3rd grade-6th grade). DIBELS measures students' reading fluency, accuracy, and skills. DIBELS is given to kindergarten-3rd graders.

It is imperative for your child to be able to read by 3rd grade. When children are in grades kindergarten through 2nd grade they are learning to read. When children are in third grade and above, they are reading to learn. If a child is having difficulty reading by 3rd grade, school will be more difficult for your child. Please make sure to read with your child as often as possible.

Drop Off and Pick Up

Please use yellow zones for dropping kids off. Do NOT park in the yellow zones. If you want to walk your child to the front door of the school, please park in a parking spot in the parking lot and not in the yellow zones.

After school, please make sure to pull over in a parking spot to pick up your child. We have staff helping fill in as a crossing guard, so please let them help your son or daughter cross the street.
