Newark CCSD 66 www.ngsd66.org 815-695-5143 NGS; 630-553-5435 MJH

Dear Families and Staff,

Thanks for a wonderful first two days! We are so happy everyone is back! We welcome our preschool students this week!

Remember not to pass a school bus and be patient if you are behind one. Please call or email the office and teacher if your student is going home a different way. Keeping student schedules as consistent as possible will help the adjustment back to school.

Please make sure you are familiar with our student - parent handbook for this year. We follow all policies, including dress codes, and protocols aligned to board policies and school code. The handbook is on the website and here: 2026 - 2027 Parent-Student Handbook.pdf

NEWARK GRADE SCHOOL DROP OFF/PICK UP PROCEDURES

Drop Off: Students may arrive *after 7:35 am.* Please watch carefully for all children and vehicles when dropping students off. Please use the center lane of the parking lot. Mr. Hofmann and Mrs. Turman are outside. Please stay in the yellow crosswalk lines. Students have outdoor recess from 7:35 - 8:05 am.

Walkers must also take caution of the vehicles on the road and in the parking lot. Students are admitted into the building at the first bell at 8:05 a.m. Class begins promptly at 8:10 a.m. when the second bell rings.

Pick Up:Parents picking up their children are urged to remain in their vehicles and follow the line up through the parking lot. Students who ride the bus home are dismissed to the bus at 3:00 p.m. Walkers are held in the cafe until buses are dismissed and then released to parents. Please sign out your student on the clipboard at NGS at the cafe door.

MILLBROOK JUNIOR HIGH DROP OFF & PICK UP POLICY - Shuttle bus leaves NGS to MJH at 7:47 am!

Those students who do not ride the bus at MJH should be dropped off and picked up at the west parking lot. Parents are asked to enter from Fox River Road to the parking lot. The front of the building is for buses and staff use only during the following hours: 7:45-8:15 a.m. and 2:30-3:15 p.m. and on early dismissal days from 7:45 – 8:15 a.m. and from 11:00-11:30 a.m. and 1:00-1:30 p.m. Dismissal of those students who do not ride the bus will be after the buses have left. This includes all walkers, bike riders and those being picked up by parents. Class begins promptly at 8:00 a.m.

We are still in search of a 5th/6th Boys' Basketball coach and 5th/6th Girls' Volleyball coach for the 2026 - 2027 school year. Please send a letter of interest to Ms. Chase, Mr. Anderson or Mrs. Turman.

Many projects are still ongoing to make our buildings safe and updated. MJH has new flooring! It's absolutely beautiful in our school colors. We are still moving water away from the building with gutter extensions. A new shed was installed to help make room in the equipment shed. At NGS - the poles in front were structurally repaired. To cover that repair, we built columns to protect from the salt in winter. We are still waiting on landscaping and grass to finish off the new playground asphalt. Time to Dine money was used to replace the NGS playground border this summer. A new wood fence will be installed around the electrical equipment in the back. Painting and other updates were done at both schools this summer. It was busy!!

Reminder - we had to move the paper recycle bin to protect the new concrete. The garbage bins out back are for school use only.

Let's begin a full week of new learning! Thank you to everyone for a smooth start to the new school year! Check out all the PTO and Sports Boosters flyers below. Spirit wear is being offered by both organizations. Grandparents Day flyer is attached and a copy will be sent home with students this coming week.

Students need a water bottle with a lid and a snack every day. Both schools have snack time in the morning.
Have a fantastic week ahead! Let us know if you need anything!💙
Partners in Education ~ Mrs. Turman & Ms. Chase
P.S – We are still in need of sub bus drivers, especially for after school sports! Please call NCHS if interested in applying.

Kindness KICKOFF

Family Connection

Welcome!

Dear Family,

We are excited to tell you that we will be using **PurposeFull People** this year, a program that teaches skills to help students be successful in school and in life.

We believe that students should have safe, predictable places to learn where they feel included. Students should have healthy and helpful connections with teachers and classmates. They should also experience learning that will help them tackle challenges inside and outside of school. PurposeFull People is more than a set of lessons - it is a partnership between schools and families to create a place where students feel like they belong and learn skills that will help them be the best they can be!

The path forward is full of growth! We cannot wait to partner with you in this work…

- To teach students how to build strong friendships
- To work together to solve problems, big and small
- To grow skills for life
- To become PurposeFull People

Conversation Starters

- What does Kindness mean to you?
- What is something Kind you did for someone else today?

Kindness Overview

Our world needs more Kindness! That's why Kindness is how we are starting the school year. Our definition of Kindness is acting with understanding, generosity, and care. You'll hear a lot about Kindness this year because it is also 1 of our **3 outcomes:**

- **Be Kind**: Teaching social skills like listening, friendship, solving conflicts, and leadership.These skills are taught alongside **Empathy**, **Respect**, & **Cooperation**
- **Be Strong**: Skills that help students focus, stay organized, and set goals. These skills are taught alongside **Responsibility**, **Courage**, & **Perseverance**
- **Be Well**: Skills that help students handle their emotions and deal with stress. These skills are taught alongside **Gratitude**, **Honesty**, & **Creativity**

PurposeFull Pursuits

Each month, we'll send PurposeFull Pursuits to provide fun challenges you can pursue together! These are simple ways to intentionally reinforce the skills we are working on at school, while providing fun strategies to grow together as a family. We invite you to make some memories and join in the fun!

Pursuit #1

Review Kindness as a family! Remember that Kindness is acting with understanding, generosity, and care. Schedule a family movie night so that you can specifically watch for different ways people show Kindness. Let everybody know that you'd like them to point out examples of how the characters show Kindness as you watch the movie. Be sure to pause periodically to discuss the examples of Kindness you see. You could also talk about missed opportunities for Kindness and what you might have done differently!

Pursuit #2

Find a time to sit in a circle together and celebrate a Kind beginning of the school year! If you want, gather some favorite snacks and play some celebratory music for the occasion. Take turns sharing responses to the following prompts or make up your own! Remember to practice Kindness as you listen to each other.

Celebration Prompts:
- What is 1 way a family member has shown you Kindness this week?
- What is 1 way you want to grow in Kindness toward others this school year?

School Nurse

NEWSLETTER

August 2026

From the Nurse A's Desk

Welcome back, Newark School District #66 families! This month, we're focusing on keeping our students healthy, safe, and ready to learn. Please take a moment to review this month's health tips and important reminders.

Medication Policy Reminder:
Please bring any medications to the nurse's office with the proper forms. Students may not carry medication without prior approval.

Screenings: Vision and Hearing Screening will be happening throughout the month of September, starting at MJH the week of September 14th, and NGS the week of September 21st.

Health Form Deadline:
-Physical exams/Immunizations- Due October 15, 2026.
-Vision exam- Due October 15, 2026
-Dental Exam- Due May 2027

Monthly Health Spotlight:

Back-to-School Health

A new school year is the perfect time to build healthy habits. Good routines help students stay energized, focused, and ready to learn—while also preventing common illnesses.

💡**Healthy Habits for Students:**

- Get good sleep: Aim for 9–11 hours for kids and 8–10 for teens.
- Eat breakfast: A balanced morning meal boosts focus and memory.
- Wash hands often: Stop germs before they spread.
- Stay active: Play, sports, or outdoor time—aim for 60 minutes a day.
- Stay hydrated: Choose water over sugary drinks.

Vision and Hearing Screening
performed throughout the month of September.

WHAT IS THE VISION AND HEARING SCREENING?

These screenings are mandated by the state for all students receiving special education services, students new to the district, or teacher or parent referrals. Hearing screening is mandated by the state of Illinois for all students in grades PreK-3 and is recommended for students in even grades. Vision screening is mandated for students in Pre K, kindergarten who do not have proof in their school health file of a vision exam performed by a vision specialist within the last year, and for all students in grades 2 and 8. Vision screening is recommended for all students in even grades. At NCSD66 we provide free vision and hearing screening for students in required and mandated grades. Testing will begin after Labor Day of the school year and continue until all mandatory screenings have been completed. Parents will be notified if there are any abnormal findings. These are only screenings and should never replace a thorough exam by your doctor. If your child already wears (or should be wearing) glasses or hearing aids, please let Mrs. Ammenhauser know.

Did You Know?

Kids who eat breakfast before school are more likely to score higher on tests and pay better attention in class!

Need groceries? The Northern Illinois Food Bank Mobile distribution can help. Food is free to all neighbors; no ID, proof of address or income is required. Just need to provide zip code and how many in your household. Food is distributed on a first come, first served basis, while supplies last.
