Monthly Health Spotlight:

Allergy Awareness

Spring brings blooming flowers and warmer weather—but also pollen! Seasonal allergies can make students sneeze, sniffle, or feel tired. Learning how to manage allergies helps kids stay healthy and focused at school.

Tips for Managing Seasonal Allergies:

- Know your triggers: Pollen, dust, and grass are common culprits.
- Wash hands and face: Rinsing off after playing outside helps remove pollen.
- Keep windows closed on high pollen days: This keeps allergens out of your home and classroom.
- Use tissues and wash up: Cover sneezes with a tissue and wash your hands right after.
- Talk to a doctor or nurse: If allergies are strong, medicines or treatments may help.

Students and Parents, Have a wonderful and safe summer!

We will see you in August!

Your PTO Team

Thank You Parents and Volunteers

Our PTO team is incredibly grateful for the dedication and support of our parents and volunteers. Your time, energy, and generosity make a meaningful difference in our schools community, and makes a wonderful experience for all our students. We truly appreciate everything you do to help make our events and programs a success!

Each month PTO plans a Time to Dine, and our schools get a percentage of the sales. This school year our proceeds were over $2,000. Each year we take that money and put it towards our playground repairs. Here is what we are doing:

- **Replacing the playground boarder at Newark Grade School**

Also, throughout the year we had several fundraisers like the Daddy Daughter Dance raffle baskets and 50/50, holiday concert silent auctions and 50/50 and the Mother/Daughter Event just to name a few. We are able to use over $3,000 of these funds towards each of the schools, teachers and students! PTO was able to provide the below for the 25-26 school year:

- Field Day at both schools
- Grandparents Day and holiday concert add ons
- ABC countdown
- Pizza for teachers at PT conferences
- Principal's lunch for 8th Grade
- Field Trips
- 67 day
- Pizza for Science Fair
- School Wide Assembly
- Red Ribbon Week
- Teacher Appreciation Week
- IAR testing treats
- Raffle prizes for the Staff/Student Basketball game
- Last day of school festivities

In addition to all of this, PTO is giving both Newark Grade School and Millbrook Junior High $1,000 each to spend however the teachers seem fit! This is around $7,000 going back to the schools, teachers and students!

Thank you for everything, we appreciate all of you! Have a fun and safe summer and we will see you in August! Don't forget to come join PTO in the new school year.
