

District E-News **October 12, 2026**

Newark CCSD 66 www.ngsd66.org 815-695-5143 NGS; 630-553-5435 MJH

Dear Families and Staff,

This week is National School Lunch Week! Mrs. Mary, Mrs. Ness, Mrs. Greer, Mrs. Labhart and our team do a great job with our hot lunch program! We are proud to be able to feed students from NGS, MJH and NCHS!

Parent - teacher conferences are coming! Quarter 1 ends on Friday. Conferences are 10/21 4 pm - 7 pm and 10/22 1:30 pm - 7 pm. Parent teacher conference times are coming home for grades PK - 5 on Tuesday. 6th, 7th, 8th are first come first serve at MJH.

Halloween Updates! Pk - 5th grade will have class parties. Your teacher newsletter will have information for the class. We plan on having our annual Halloween parade on Friday, October 30th at 1:30 pm. Parents are welcome to attend at NGS.

Erin's Law presentations will be on October 16th this week. Our partners from Guardian Angel will be here to present safe touch at the appropriate grade level. Beyond the state law requirement for this, we want our students to be empowered to say no and tell a trusted adult if they should ever need help or are being abused. Letters only need to be returned if you DON"T want your child to participate.

We are in search of a 5th/6th Girls' Volleyball coach for the 2026 - 2027 school year. Please send a letter of interest to Ms. Chase, Mr. Anderson. We are also looking for a bus aide for our morning route to Plano - 6:35 - 7:30 am - $18.50. Application here: Application

Have you checked your Teacherease accounts? Grades, attendance, lunch counts, behavior, etc are all in teacherease. If you cannot login, please call Mrs. Hauge or Mrs. Wood for help.

NGS students - PE /Recess outside - please make sure your students have proper PE and recess shoes. Moccasins, cowboy boots, flip flops, crocs, etc are not supportive for running around outside.

Highlights this week: (Check out all of MJH practices and updates below!)
Monday 10/12: No school - Indigenous Persons/Columbus Day
Tuesday 10/13: Handwashing presentations with Mrs. A at NGS; 7th/8th GBB home 4:30 pm; Girl Scout meeting at NGS 6:00 - 7:00 pm
Wednesday 10/14: 5th/6th GBB at Sandwich; PTO meeting 6 pm @ MJH
Thursday 10/15: 7th/8th GBB home vs. 4:30 pm - 8th Grade Night
Friday 10/16: School Store @ NGS; 5th/6th GBB tourney at MJH; End of Quarter 1
Saturday 10/17: 5th/6th GBB tourney at MJH
NGS Viking Victory winners this past week: Maddie Morganegg, Charlee Cooper, Weston Morel and Brady Lundsteen!
MJH Viking Spotlight winner: Hazel Britz (nominated by Millie Labhart)

Cooler days are here. We recess outside every day. Please dress your student in layers for the cool mornings and warmer afternoons. MJH has a 20 minute recess and NGS has a minimum 30 minutes of recess every day. In addition, NGS students recess outside from 7:35 am - 8:05 am as students arrive at school.

Students need everyday: water bottle, a healthy snack and headphones. It would be very helpful to write a name on the bottom of the water bottle!

Have a great week ahead!
💙Partners in Education ~ Mrs. Turman & Ms. Chase

Dates to Remember:

October 12 - No School Columbus/Indigenous People's Day
October 13 - Handwashing talk with the nurse (NGS); Girl Scouts Info meeting at NGS 6 - 7 pm

STRONGER WITH SCHOOL MEALS!

Making healthy food choices can help you:

- Stay well
- Play hard
- Learn
- Grow strong

Eat Real Food
realfood.gov

Choose foods from each of the five food groups to get the nutrition you need.

Don't forget to wash your hands before eating!

September 2021 | Slightly Revised May 2026 FNS-911
USDA is an equal opportunity provider, employer, and lender.

Responsibility

Family Newsletter

Responsibility Overview

This month we are talking about Responsibility. One way to define Responsibility is "taking action and understanding the impact of our choices." Taking action can mean doing the right thing or completing the tasks you have been assigned. Understanding the impact of our choices means that our actions matter. Positive and responsible actions can help people and irresponsible actions can hurt others.

Responsibility is 1 of 3 traits we will focus on throughout the year that helps students **Be Strong**.

Across grade levels students will be developing skills like focusing, organizing, and goal-setting.

Conversation Starters

- Can you share or show what it means to be Responsible?
- How can we help each other practice being more Responsible?

PurposeFull Pursuits

Have some fun connecting as a family this month while practicing Responsibility. Here are 2 "PurposeFull Pursuits" you can complete together!

#1

As a family, think of ways in which you might make someone's life a little easier by helping a neighbor or family friend with 1 of their Responsibilities. Could you bring the garbage to the chute or out to the curb? Could you carry things in from the grocery store? Could you invite someone over for a meal or a show?

#2

Review Responsibility as a family! Responsibility is taking action and understanding the impact of our choices.
Choose 1 household chore (or more!) that requires multiple steps. Then have each member of the family select 1 step to complete to help get the job done! Maybe it's washing the dishes, doing laundry, cleaning the living room, or unloading the groceries – whatever it is, see who can be the quickest or most effective at their task!

School Nurse NEWSLETTER

October 2026

From the Nurse A's Desk

Happy October, Newark School District #66 families! This month we're focusing on keeping our students healthy, safe, and ready to learn. Please take a moment to review this month's health tips and important reminders.

Screenings:

Vision and Hearing Rescreening will be taking place at MJH the week of October 5th, NGS the week of October 12th and Preschool the week of October 19

Immunization Deadline:

-Physical exams/Immunizations- Due October 15, 2026.
-Vision exam- Due October 15, 2026
-Dental Exam- Due May 2027

Monthly Health Spotlight:

Cold & Flu Prevention

Cold and flu season peaks in the fall and winter, and schools are a common place for germs to spread. Simple habits can make a big difference in keeping kids, families, and classrooms healthy.

Flu-Fighting Habits for October:

- Wash hands often: Use soap and warm water for at least 20 seconds.
- Cover coughs and sneezes: Use a tissue or elbow to stop the spread of germs.
- Don't share drinks or utensils: Germs can spread quickly this way.
- Stay home when sick: Rest helps recovery and prevents spreading illness.
- Keep your immune system strong: Eat colorful fruits and veggies, get plenty of sleep, and stay active.

NGS- The week of October 12, 2026
Preschool- The week of October 19, 2026

K- 4th Grade Handwashing Education

Tuesday October 13th 2026

5th Grade Puberty Education- MJH

(Parent letter will be sent prior)
November 9, 2026- 5th Grade Boys
November 12, 2026- 5th Grade Girls

HEALTHY HABITS REMINDER

- Wash your hands often with soap and water (sing the ABCs for timing!).
- Cover coughs and sneezes with a tissue or your elbow.
- Avoid touching your eyes, nose, and mouth.
- Don't share water bottles, food, or utensils.
- Rest and stay home if you're not feeling well.

Did You Know?
Flu viruses can live on some surfaces—like desks and doorknobs—for up to 48 hours! Regular cleaning and handwashing are powerful tools to stay protected.

Safe Charging Is a SUPERPOWER

Charge into Fire Safety™

Safe charging means making smart choices every time you plug in. Everyday charging habits can help prevent lithium-ion battery fires.
Safe charging is a SUPERPOWER!

USE YOUR CHARGING SUPERPOWERS

CHEAP CHARGER? DON'T CHANCE IT.

Use the cord and charger that came with your device or one approved by the manufacturer.

Why it matters: Using the wrong charger can damage the battery and increase the chance of fire. Cheap or off-brand chargers may not meet important safety standards.

SOFT SURFACE? HARD PASS.

Charge on a hard, flat surface like a table, desk, or bare floor.

Why it matters: Devices and chargers create heat during normal charging. Soft surfaces like beds, pillows, and couches can trap heat and block airflow, which can cause a battery to overheat.

FEELS HOT? STOP USING IT.

Stop using your device if it feels very hot, starts to swell, smells strange, leaks, smokes, or makes popping or hissing sounds.

Why it matters: A damaged battery can overheat and start a fire.

FULLY CHARGED? TIME TO UNPLUG.

Unplug your device when it is fully charged.

Why it matters: Leaving a device plugged in can increase heat and stress on the battery.

FOR TOOLS AND RIDES, CHARGE OUTSIDE.

Charge large items like e-bikes, scooters, and power tools outside when possible. Do not block exits when charging.

Why it matters: These batteries are larger and store more energy. Fires can grow quickly if the battery fails.

OUT OF SIGHT? NOT IN FLIGHT.

When on a plane, keep devices where you can see them while charging. Do not charge e-cigarettes or vapes on the plane. Tell a flight attendant if you notice a problem with your device, such as if it feels very hot, starts to swell, is smoking, or has a strange smell.

Why it matters: If a battery overheats or fails, it is important for the flight crew to be able to respond quickly.

— Working smoke alarms and a home fire escape plan can help make a life-saving difference. —

BATTERY SAFETY STARTS BEFORE YOU PLUG IN

Buy products listed by a nationally recognized testing laboratory, such as UL, ETL, or CSA.* Listed products meet important safety standards.
