RESPECT
Family Newsletter

PurposeFULL People

Respect Overview

This month's focus is Respect. One way to think about Respect is "seeing value in all people and things & treating them with care." Many people feel Respected in different ways. We hope this month inspires discussions with your family about what Respect means to you and how you can practice it together!

Respect is 1 of 3 traits we will focus on throughout the year that helps students **Be Kind**. Across grade levels, students will be developing skills like perspective-taking, conflict resolution, and leadership.

Conversation Starters

- Can you share or show what Respect means?
- What is 1 way you have practiced Respect lately?

PurposeFull Pursuits

Have some fun connecting as a family this month while practicing Respect. Here are 2 "PurposeFull Pursuits" you can complete together!

#1

A fun way to remind students to show Respect to others is to create a non-verbal cue. As a family, come up with a non-verbal way to cue your student to remember to show Respect to others. An example of this would be anytime you raise the "Respect Rooster" on your hand by closing the middle 2 fingers and bringing your pointer finger and pinky finger up, your student would be reminded to practice living out Respect.

#2

Review Respect as a family! In our lessons we are teaching that Respect means to see value in people and things and treat them with care.
Agree as a family to set aside a certain time each day this week to unplug from devices and plug into family time. It shows Respect to practice being present in the moment without the distractions that can come from technology. Debrief and discuss this challenge afterward. Consider to embracing this practice at least 1 day each week!

RIDE SAFE, BE KIND, HAVE A GREAT BUS RIDE!

1. Be aware of moving traffic and pay attention to your surroundings.

2. Dress for the weather. Make sure strings, ties, straps, etc. are short or removed.

3. Arrive on time at the bus stop and stay away from the street while waiting.

4. Stay away from the bus until it stops completely and the driver signals you to board. Enter in single file without pushing. Always use the handrail.

5. Take a seat right away and remain seated facing forward. Keep your hands, arms, and head inside the bus.

6. Talk quietly on the bus. No shouting or loud noises that may distract the driver. Devices must be silenced. Headphones are okay.

7. Help keep the bus neat and clean. Keep belongings out of the aisle and away from emergency exits. Eating and drinking are not allowed on the bus.

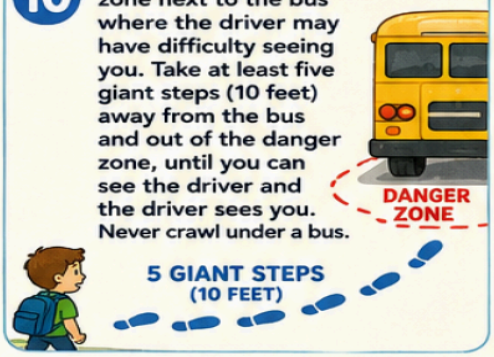

8. Always listen to the driver's instruction. Be courteous to the driver and other students. Sit with your hands to yourself and avoid distracting noises.

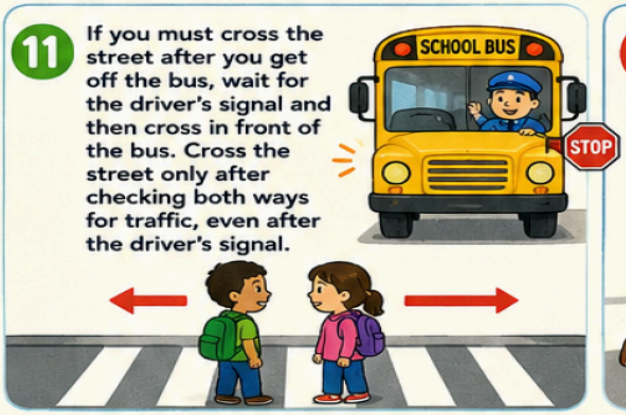

9. Wait until the bus pulls to a complete stop before standing up. Use the handrail when exiting the bus.

10. Stay out of the danger zone next to the bus where the driver may have difficulty seeing you. Take at least five giant steps (10 feet) away from the bus and out of the danger zone, until you can see the driver and the driver sees you. Never crawl under a bus.

11. If you must cross the street after you get off the bus, wait for the driver's signal and then cross in front of the bus. Cross the street only after checking both ways for traffic, even after the driver's signal.

12. Never run back to the bus, even if you dropped or forgot something.

BE SAFE. BE KIND. EVERY RIDE. EVERY TIME!

WHAT IS THE VISION AND HEARING SCREENING?

These screenings are mandated by the state for all students receiving special education services, students new to the district, or teacher or parent referrals. Hearing screening is mandated by the state of Illinois for all students in grades PreK-3 and is recommended for students in even grades. Vision screening is mandated for students in Pre K, kindergarten who do not have proof in their school health file of a vision exam performed by a vision specialist within the last year, and for all students in grades 2 and 8. Vision screening is recommended for all students in even grades. At NCSD66 we provide free vision and hearing screening for students in required and mandated grades. Testing will begin after Labor Day of the school year and continue until all mandatory screenings have been completed. Parents will be notified if there are any abnormal findings. These are only screenings and should never replace a thorough exam by your doctor. If your child already wears (or should be wearing) glasses or hearing aids, please let Mrs. Ammenhauser know.

Did You Know?

Kids who eat breakfast before school are more likely to score higher on tests and pay better attention in class!

Dear Parents and Families:

Get Ready! The Scholastic Book Fair is coming our way (YAY!). Choosing their own books empowers kids and inspires them to become Bolder, Prouder, and Stronger Readers. AND—as always—every book they buy earns rewards for our school.

Here's what you need to know about the Fair, which will take place from September 14th – September 16th in person and will continue through September 27th online. Students will be able to shop the fair during their PE times each day as well as during our Grandparent's/Special Person's day celebration and Curriculum night.

This year, say goodbye to cash and hello to **eWallet**—your child's digital payment account. Before the Fair, set up eWallet for worry-free, cash-free purchases.

If you can't make it to the Fair, then **shop at our school's Online Book Fair**. All orders ship directly to your home, and shipping is free for book orders over $25. Your online orders will also benefit our school.

Visit our Book Fair homepage to learn more and get started with eWallet and online shopping: https://bookfairs.scholastic.com/bf/newarkelementaryschool

The countdown to more Book joy is on! Catch you at the Fair!

Happy reading,

Mrs. Turman
