Dear Families and Staff,

Congratulations to our IESA State Track Athletes! Nora took 2nd in shot put and 5th in discus! Mary took 4th in the pole vault! Colton finished 4th in the 800m! All of these students earned medals! The 7th grade girls' team finished 10th overall in state and both 4 x 200 teams ran great with the girls running a personal best time! Great work Vikings! We are so proud of you!

No summer school offering this year, but if you need a "summer packet" please let your teacher know this week! Research shows reading over summer will help with learning loss. Ideas for Summer

I have been spot checking tax bills. It looks like our taxpayer's bills went down by about $300. Our rate dropped from $2.77 to $2.415 when the county reallocated the error from last year. Most assessments went up about $10,000. The school district does not do any assessments. Those come from your local county assessor's office. Thanks for your patience on that correction. The board of education will continue to monitor our budget, levy and needs for the district.

Highlights this week:

5/18 Monday - MJH Field Day! Hot dog lunch for staff/students; Board of education meetings 6:30 pm

5/19 Tuesday - MJH Honor Awards assembly 1:20 pm; Food Pantry 3:30 - 5:30 pm

5/20 Wednesday - NGS field day 8:30 - 11:20 am (changed); PK 4's picnic 11:00 am; 8th graders - Algebra finals at NCHS

School Nurse NEWSLETTER

May 2026

From the Nurse A's Desk

Happy End of the School year, everyone! Let's finish this last month strong. Wishing everyone an AMAZING and SAFE Summer Break! Congrats to our 8th graders on their upcoming graduation! I am SO VERY proud of every one of you! I will miss you all!

2026-2027 Health Requirements

Please see the attached Illinois health requirements for grades needing updated health forms for this upcoming school year. During summer break, you are more than welcome to send in or email (Lammenhauser@ncsd66.org) any health documents.

Monthly Health Spotlight:

Sun Safety

As the days get longer and warmer, spending time outside becomes more enjoyable—but it also means more exposure to the sun's ultraviolet (UV) rays. Too much UV exposure can cause sunburn, premature skin aging, and increase the risk of skin cancer. Protecting your skin and eyes is important for everyone, especially children and teens who are more sensitive to the sun.

Simple ways to stay safe in the sun:

- Apply broad-spectrum sunscreen with SPF 30 or higher, and reapply every 2 hours or after swimming or sweating.
- Wear hats, sunglasses, and protective clothing when outdoors.
- Seek shade, especially between 10 a.m. and 4 p.m., when the sun's rays are strongest.
- Drink plenty of water to stay hydrated during outdoor activities.

UPCOMING HEALTH EVENTS

Morris Hospital Sports Physicals at MJH

Morris Hospital Providers will be preforming sports physicals at MJH on May 12, 2026 for upcoming 5th, 7th and 8th grade students.

NEXT YEAR REMINDERS

- If anything changes with your child's health during the summer (allergies, medications, etc.), you are more than welcome to email me any updates during break.
- If your child has a health form requirement for the upcoming school year, please schedule the doctor's appointment. Send completed forms.
- If your child has any medications that need to be administered during school, please have the physician fill out the Medication Administration Form
- If your child needs an action plan, every school year, we need updated action plans. Please have your child's provider complete the form (Asthma, Diabetes, Celiac/Gluten, Food Allergies, Diabetes, Migraine, Anxiety). If medication is also required, the action plan will need an updated Medication Administration Form.

Did You Know?

Up to 80% of UV rays can penetrate clouds, so it's important to wear sunscreen even on overcast days.
