Dear Families and Staff,
Online registration is open for the 2026 - 2027 school year. Current families may login to Teacherease and choose online registration for 26 - 27.
New families will use this link: New Family Link Only

Kindergarten round up for the 2026 - 2027 school year will be held on Thursday, April 9 at 4:30 at Newark Grade School. If you have an incoming kindergartener, please join us for registration and academic information. FYI - there is a new requirement for a lead blood test for students by age 6. See Nurse's notes below!

Two more PTO time to dines this month! We will be replacing the black playground border at NGS with Time to Dine money this summer.

PTO nominations are open for new officers for 2026 - 2028! If you would like to nominate someone, please use the google form: PTO Officer Nomination form
Voting will take place at the May 6th meeting at NGS 6:00 pm!

Our board of education has approved several projects this summer. We will be replacing the flooring at MJH and we will be replacing the asphalt on the side and back playground at NGS, along with replacing the concrete at the front entrance. Stay tuned for updates!

Attendance updates: Keep in mind that if your student has been absent more than 10 days this year, they are considered chronically absent and will be on 4th quarter medical documentation (whether excused or unexcused). 4th quarter medical documentation continues into next school year. Chronic Truancy is when students miss school without a valid reason. Please let Mrs. Turman or Ms. Chase know if you have any questions.

Dear Parent or Guardian:

We will be facilitating state-required assessment tests. Students in grades three, four, five, six, seven and eight will be tested in reading and mathematics. In addition, 5th and 8th grades will perform three sections in Science. It is extremely important to have good attendance on testing days. MJH will be testing the Illinois Science Assessment on March 16, 17, and 18. Reading and Math will be on April 7, 8, and 9. NGS will be testing April 1, 2, 7, 8, and 9.

The tests are a part of the Illinois Assessment of Readiness and are being given to all eligible students. Students will be challenged to apply their knowledge instead of just memorizing facts.

You can help your child do his/her best on these tests by following these guidelines:

- ✔ Make sure that your child attends school on all days of testing.
- ✔ Make sure your child gets a good night's sleep the night before testing.
- ✔ Provide a healthy breakfast on the mornings of testing.
- ✔ Remind your child to ask the teacher questions if he/she does not understand the test directions.
- ✔ Let your child know that you have confidence in his/her ability to do their best.
- ✔ Advise your child not to worry about the test - just do his/her best!
- ✔ Testing materials needed by grades three through eight students are: **Headphones**, **Number Two pencils and a calculator. (The calculator for grades 6th – 8th only CANNOT be on an electronic device such as a Kindle or iPod, or any kind of phone.)**
- ✔ **Students cannot have phones, smartwatches, or any other technology besides their district issued chrome book for testing.** Any smartwatches/devices can stay with the teacher in the classroom, but cannot be next to the student.
- ✔ Please bring a healthy snack and/or juice, water. We will have a break after testing.

Please contact your child's teacher if you want additional information or have further questions about these tests. We look forward to sharing the IAR results with you. Thank you for your continued support at home.

Monthly Health Spotlight:

Allergy Awareness

Spring brings blooming flowers and warmer weather—but also pollen! Seasonal allergies can make students sneeze, sniffle, or feel tired. Learning how to manage allergies helps kids stay healthy and focused at school.

Tips for Managing Seasonal Allergies:

- Know your triggers: Pollen, dust, and grass are common culprits.
- Wash hands and face: Rinsing off after playing outside helps remove pollen.
- Keep windows closed on high pollen days: This keeps allergens out of your home and classroom.
- Use tissues and wash up: Cover sneezes with a tissue and wash your hands right after.
- Talk to a doctor or nurse: If allergies are strong, medicines or treatments may help.
