Dear Families and Staff,

School Board elections are April 6, 2027. There are three seats open for the board. Petitions are now available. We have an amazing board of education who are true servant leaders to our community, students and staff. If you are interested in being part of an amazing team and serving students, we encourage you to download the petition packet here: School Board Petition Packet School Board candidates must be 18 years of age and live in the district.

For those students riding bikes, scooters to school…… love to see all the bikes out there! However, every day I am reminding students to walk their bikes down the bridge and when in the parking lot for safety. Students should also not ride on the high school grass or try to jump the bridge or small hills. If parents can please help reinforce this at home, we would be grateful so no one gets hurt.

Families will see a new reading curriculum for grades Kindergarten through fifth this year. It is called My View and we hope it will enhance the 6th - 8th grade curriculum My Perspectives (which was updated this year.) Our goal is consistency throughout all grades building on needed literacy skills as students progress through each grade and standard. Curriculum Night is coming up in a few weeks! Your teachers will have resources for you to see.

RIDE SAFE, BE KIND, HAVE A GREAT BUS RIDE!

1. Be aware of moving traffic and pay attention to your surroundings.

2. Dress for the weather. Make sure strings, ties, straps, etc. are short or removed.

3. Arrive on time at the bus stop and stay away from the street while waiting.

4. Stay away from the bus until it stops completely and the driver signals you to board. Enter in single file without pushing. Always use the handrail.

5. Take a seat right away and remain seated facing forward. Keep your hands, arms, and head inside the bus.

6. Talk quietly on the bus. No shouting or loud noises that may distract the driver. Devices must be silenced. Headphones are okay.

7. Help keep the bus neat and clean. Keep belongings out of the aisle and away from emergency exits. Eating and drinking are not allowed on the bus.

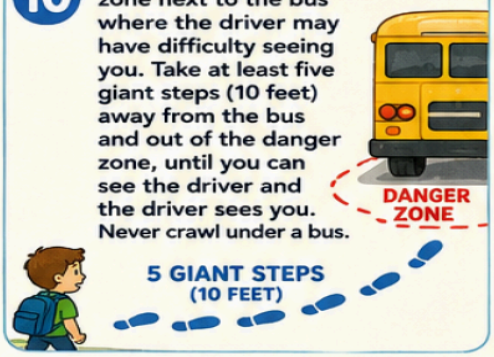

8. Always listen to the driver's instruction. Be courteous to the driver and other students. Sit with your hands to yourself and avoid distracting noises.

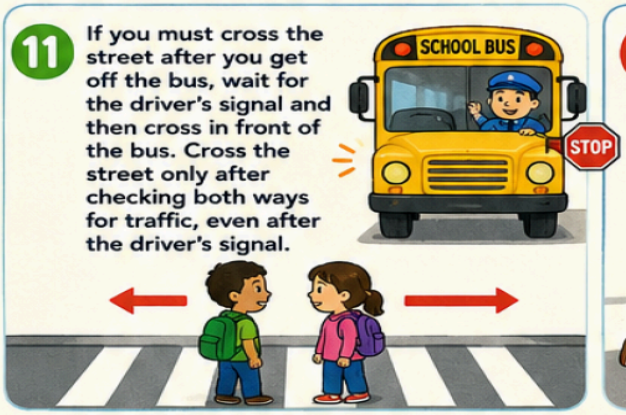

9. Wait until the bus pulls to a complete stop before standing up. Use the handrail when exiting the bus.

10. Stay out of the danger zone next to the bus where the driver may have difficulty seeing you. Take at least five giant steps (10 feet) away from the bus and out of the danger zone, until you can see the driver and the driver sees you. Never crawl under a bus.

11. If you must cross the street after you get off the bus, wait for the driver's signal and then cross in front of the bus. Cross the street only after checking both ways for traffic, even after the driver's signal.

12. Never run back to the bus, even if you dropped or forgot something.

BE SAFE. BE KIND. EVERY RIDE. EVERY TIME!

PurposeFull Pursuits

Each month, we'll send PurposeFull Pursuits to provide fun challenges you can pursue together! These are simple ways to intentionally reinforce the skills we are working on at school, while providing fun strategies to grow together as a family. We invite you to make some memories and join in the fun!

Pursuit #1

Review Kindness as a family! Remember that Kindness is acting with understanding, generosity, and care. Schedule a family movie night so that you can specifically watch for different ways people show Kindness. Let everybody know that you'd like them to point out examples of how the characters show Kindness as you watch the movie. Be sure to pause periodically to discuss the examples of Kindness you see. You could also talk about missed opportunities for Kindness and what you might have done differently!

Pursuit #2

Find a time to sit in a circle together and celebrate a Kind beginning of the school year! If you want, gather some favorite snacks and play some celebratory music for the occasion. Take turns sharing responses to the following prompts or make up your own! Remember to practice Kindness as you listen to each other.

Celebration Prompts:
- What is 1 way a family member has shown you Kindness this week?
- What is 1 way you want to grow in Kindness toward others this school year?

WHAT IS THE VISION AND HEARING SCREENING?

These screenings are mandated by the state for all students receiving special education services, students new to the district, or teacher or parent referrals. Hearing screening is mandated by the state of Illinois for all students in grades PreK-3 and is recommended for students in even grades. Vision screening is mandated for students in Pre K, kindergarten who do not have proof in their school health file of a vision exam performed by a vision specialist within the last year, and for all students in grades 2 and 8. Vision screening is recommended for all students in even grades. At NCSD66 we provide free vision and hearing screening for students in required and mandated grades. Testing will begin after Labor Day of the school year and continue until all mandatory screenings have been completed. Parents will be notified if there are any abnormal findings. These are only screenings and should never replace a thorough exam by your doctor. If your child already wears (or should be wearing) glasses or hearing aids, please let Mrs. Ammenhauser know.

Did You Know?

Kids who eat breakfast before school are more likely to score higher on tests and pay better attention in class!

Dear Parents and Families:

Get Ready! The Scholastic Book Fair is coming our way (YAY!). Choosing their own books empowers kids and inspires them to become Bolder, Prouder, and Stronger Readers. AND—as always—every book they buy earns rewards for our school.

Here's what you need to know about the Fair, which will take place from September 14th – September 16th in person and will continue through September 27th online. Students will be able to shop the fair during their PE times each day as well as during our Grandparent's/Special Person's day celebration and Curriculum night (3:15-4:15).

This year, say goodbye to cash and hello to **eWallet**—your child's digital payment account. Before the Fair, set up eWallet for worry-free, cash-free purchases.

If you can't make it to the Fair, then **shop at our school's Online Book Fair**. All orders ship directly to your home, and shipping is free for book orders over $25. Your online orders will also benefit our school.

Visit our Book Fair homepage to learn more and get started with eWallet and online shopping: https://bookfairs.scholastic.com/bf/newarkelementaryschool

The countdown to more Book joy is on! Catch you at the Fair!
