CELL PHONE LOCKERS

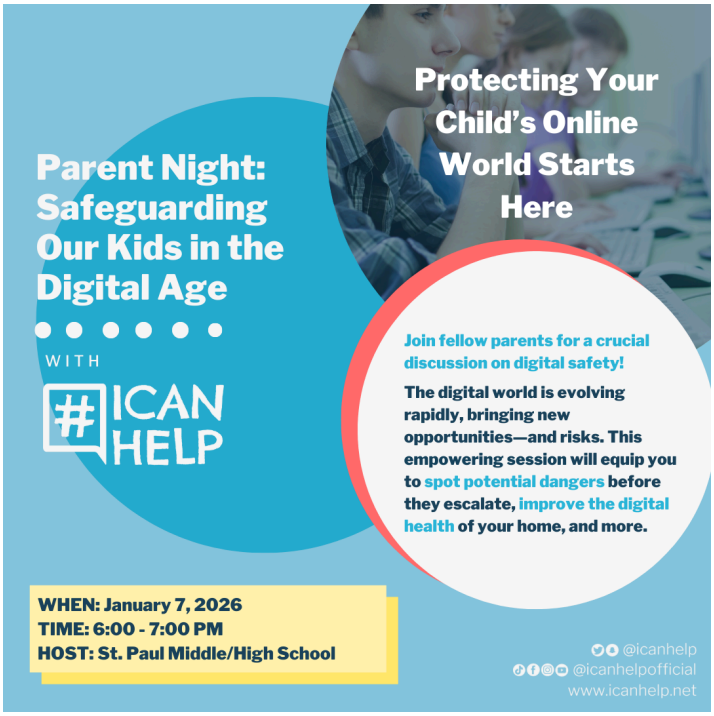

The new district policy limiting the use of personal electronic devices during school hours took effect on January 1, 2026. Students must keep their devices "off and away" from bell to bell, including during lunch. After winter break, students will store their personal electronic devices in secure device lockers at the start of the school day and retrieve them after school is dismissed.

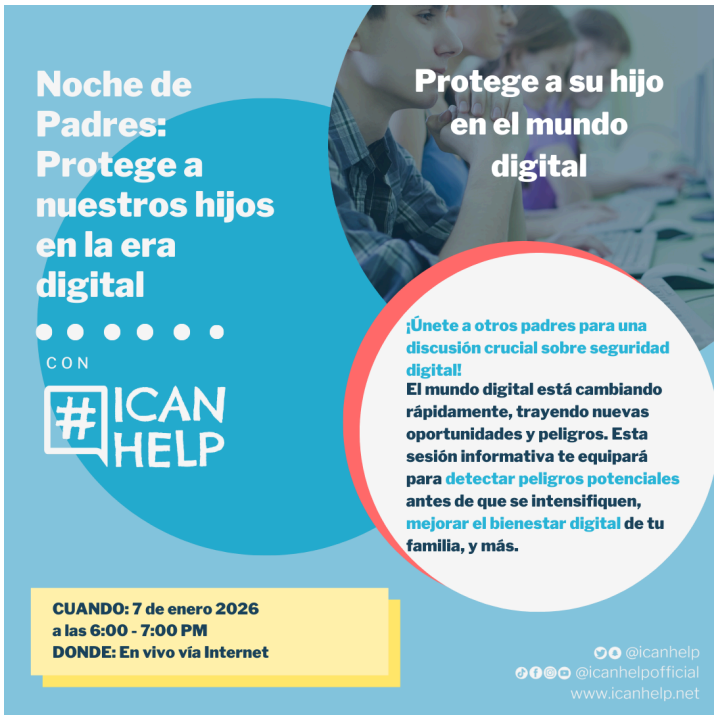

This transition will begin with the students in grades seven and eight on January 6, 2026, and students in grades 9-12 on February 2, 2026. During this transition time, students in grades 9-12 are expected to keep their devices off and away during lunch.

Please return the Personal Electronic Device Acknowledgement as soon as possible so that we can make sure they have a locker assigned in advance.

Tuesday, January 6	**Personal Electronic Device Acknowledgement Form Due**
Tuesday, January 6	**Grades 7 & 8 begin using cell phone lockers**
Monday, February 2	**Grades 9-12 begin using cell phone lockers**
