

St. Paul Middle/High School

Principal's Newsletter December 2025

Greetings Buckaroo Families!

I hope you all had a wonderful Thanksgiving. We have just a few short weeks until winter break, but they are busy ones so be sure to check out the upcoming events on the next page.

We had a fantastic turnout at conferences in November again, even with the rescheduling of Monday's meetings. It is always great to reconnect with families one-on-one, and we appreciate your flexibility. The work we do as a team would not be possible without the strong partnerships we share with our parents. We sincerely appreciate your ongoing involvement and support throughout the year.

We have a lot to be proud of in our students, especially our student-athletes. In addition to their efforts on the field, the football team ranked 8th among 2A schools with a GPA average of 3.20 at the end of the season. The volleyball players achieved an impressive average GPA of 3.70. Boys cross country earned a 3.22 average GPA, and girls cross country ended their season with an average 3.49 GPA. Way to go Bucks!

Do you need some time for uninterrupted holiday shopping? The Key Club is bringing back a popular fundraiser this month. On December 13th, they will be hosting a babysitting night that includes dinner from 5 PM to 8 PM. The cost is $25 per child and includes pizza dinner, holiday crafts, and a movie. Contact a Key Club member or Mrs. Stoltenberg for more information at kristi.stoltenberg@stpaul.k12.or.us.

Also, the Second Annual St. Paul Schools Holiday Market will be on December 6th from 9 AM to 4 PM. We want to thank the participants and organizers for donating the booth fees from the market to the FFA. Later this month, Ms. Duyck will be taking the FFA members to the Silverton Christmas Market at the Oregon Gardens on December 21st.

Speaking of winter activities, enclosed with this newsletter is a list of family-friendly events and activities occurring in the month of December around the area. The St. Paul School District is not affiliated with any of the organizations mentioned, but we know it can be a challenge to keep kids entertained over long breaks. Scan the QR codes for more information.

Finally, on behalf of my family and the staff at St. Paul Middle/High School, I hope you all have a restful, joyful holiday season.

Sincerely,
Dr. Tiffany Fotre
MS/HS Principal
