

Dear Madison Community,

The Madison School District is pleased to share that we will be continuing to offer our Integrated Preschool Program for the 2026-2027 school year. We will operate two half day sessions, one in the morning and one in the afternoon, at a tuition rate of $500 per month, per student. We are anticipating a total of 13 openings for September and are excited to welcome new students to the program.

We believe that we offer an excellent preschool program for families within our community. The program incorporates a play-based curriculum, which is a teaching approach that uses play to help children learn and develop. It is self-directed, enjoyable, imaginative and based on children's interests and needs through exploration. We utilize Creative Curriculum to guide our units of study. This is a whole-child, comprehensive curriculum that emphasizes hands-on learning and incorporates language, literacy and mathematics throughout the day.

It is common for the district to have more families interested in our integrated preschool program than the number of seats available. For this reason, we will be utilizing a lottery process to place students in available seats. In order to apply for placement in our program, we ask that you complete our application form, at this link, with all requested information. **Submission of the form will be accepted from 8 am Friday Jan. 30, 2026 through 5 pm on Friday, Feb. 20, 2026**. The placement drawing will take place on Monday, Feb. 23, 2026 and families of students selected for seats in the program will be notified later that week. Any family not selected for an open seat will be placed on a waitlist in the order in which their application was drawn in the lottery. Families on the waitlist will be informed on a rolling basis if seats become available.

We welcome all interested families to complete and submit our application for our 2026-2027 Integrated Preschool Program. We look forward to welcoming our newest learners to the program in September.

Sincerely,

Susie Budine
