CAD WEEKLY NEWSLETTER

Weekly Update

What a wonderful second week we have at had at Dwyer! Our routines are taking shape and students are settling into their classrooms, and there is so much great learning happening throughout the building!

Thank you to all our families who joined us for Back to School Night last night. It was wonderful to welcome you into the school and give you a glimpse into your child's day, while also sharing more about the learning, routines, and experiances that lie ahead this school year.
