III. SUPERINTENDENT'S REPORT

- Mr. Cuevas and his crew have been working diligently to prepare our schools for the first day. Here is a summary of the respective projects for each school.

School	Completed	To be completed
Copeland Middle School	Classrooms: New building / North Wing / Central building	• South wing • Copy room relocated to make room for additional classroom.
Katherine D. Malone	All classrooms	Hallway
Stony Brook		Summer cleaning has begun
Birchwood	All classrooms	Eleven additional parking spots
Dennis B. O'Brien		HVAC / Cleaning
Catherine A. Dwyer	Second floor	Main office Some areas of the main floor

- As summer quickly comes to a close, the following events are being planned:
  - The *Administrative Leadership Retreat* is scheduled to begin Monday, August 22 until Thursday, August 25. The schedule will include a discussion of core values, annual goals, HIB training, CST updates and the Danielson evaluation model.
  - New teacher orientation will be conducted August 29th and August 30th. We anticipate about 35 new teachers attending.
  - The Convocation which will start on August 31 and conclude the following day, is a full schedule of talks, trainings and workshops intended to support and inspire our teachers and staff.

- All this is to prepare for a successful school year which begins for students on September 6th.

- Over these past two months, our Director of Human Resources Mrs. West, has been focused on filling the many vacant positions. Although most teaching positions have been filled, a few positions remain open. Based on an analysis of changing needs in Special Education, the 0.8 FTE Speech Language Specialist position will be reclassified as a 0.6 FTE Occupational Therapist. In addition, we anticipate recommendations for the 0.6 FTE Music Teacher, the leave replacement teacher at Copeland, and the newly vacated ESL teacher position within the week. Furthermore, we anticipate final recommendations to be made for School Business Administrator and Bus Mechanic this week. We continue to advertise for full time leave replacement special education teachers, staff assistants, and substitute teachers.

*[To support the safety of our students at Copeland Middle School, we are posting for a Supervisor of Safety and Compliance as well as three anticipated Student Safety Monitors. These positions will ensure student safety on the bus and everywhere on school property. I am confident that it will improve the overall operations of the school by allowing our administrative team to focus on instructional leadership.] **

- With almost every student in the district riding a bus to and from school, it is essential that we regularly review our standards for student bus safety. I am in the process of reviewing a draft entitled "Bus Transportation ~ Expectations for Student Behaviors" which was compiled by Mr. Gonnella and Mr.McGovern. Prior to sending it out to parents, I intend to have it reviewed and approved by the board of education at the August 24th meeting.
- The Superintendent Entry Plan will be updated regularly and provide focus for my vision over the next five months. It is updated and posted on the website for your review.
- Abraham Elder and his staff have worked tirelessly to ensure our technology is up-to-date.
    - This year we purchased enough devices to outfit all grade 2 to grade 5 students with new Acer Chromebooks.
    - We are maintaining our distribution method; the 5th grade Chromebooks will be take-home devices, and all devices from the 4th grade down will be housed and maintained in the classroom carts.
    - We are also temporarily assigning 2nd to 4th grade Chromebooks to individual students so that when the time comes and homeroom lists are in order, we can distribute the right amount of Chromebooks to their respective classrooms.
    - We are developing a strategy for the 5th grade deployment, so that parents will appreciate the importance of care of these take home devices. Parents also need to understand our intention when stating that the devices will "graduate with the students."
    - Grade level BenQ boards have arrived and are being installed in all 1st grade classes. All grades, first to fifth are now equipped with BenQ boards.
    - We are exploring the benefits of a new phone system that would match our existing functionality while saving approximately 1/5th of our yearly service contract.
- I had the pleasure of meeting with the presidents and vice-presidents of every local school PTA. An active PTA is essential to student success and I look forward to supporting all our PTAs.
- Covid-19 remains a concern and our district will take all necessary precautions as recommended by the Department of Health and the Department of Education to protect our students and staff. Optional testing for students and staff will continue at Copeland Middle School. The schedule is to be determined. I am hopeful that the pre Covid-19 “normal” will return and remain with us for the entire school year. At this time, we are planning for all fall meetings to be in-person. These include “Back to School Night and parent / teacher conferences. To ensure safety we will require that parents:
    - Monitor their children for Covid-19 symptoms and keep symptomatic children home. A negative Covid-19 test may be required to return to school.
    - Notify the school nurse of any changes to vaccination status.
    - Notify the school nurse if a child tests positive for Covid-19. If positive, the child must be isolated for 5 days. After the fifth day, if asymptomatic they may return to school but must wear a mask for next five days. If a student tests positive:
    - A school exposure notification letter will be send to the parents of all students in the class.
    - Parents should consult with the school nurse regarding school aged siblings who are household contacts.

Any student or staff member who is exposed to Covid-19 and is presenting symptoms, will be sent home and required to be tested. Children will be reminded to wash hands frequently and use hand sanitizer in-between washing. These protocols will support our goal of remaining Covid-19 free in Rockaway Township and keeping our children in school.

IV. BUSINESS ADMINISTRATOR'S REPORT – NO REPORT

V. CURRICULUM REPORT

Dr. Corbett presented Mr. Higgins's Curriculum Report.

In Patrick's absence, I will provide the curriculum and instruction report to the board.

- This year, the New Jersey Assessment will consist of the Start Strong Assessment which will be provided to all New Jersey Public School students in grades 4-8 in both math and reading. Sixth grade students will also take the Science assessment. Our district assessment dates are from September 27th to September 29th.
- We are waiting for the Individual Student Reports from the Spring 2022 NJSLA. After receiving the reports, they will be uploaded to the Genesis Parent Portal and parents will be notified.
- We are required to revise our district's Comprehensive Health and Physical Education Curriculum to meet the updated Health and Physical Education Standards provided by the New Jersey Department of Education. The curriculum revisions began last year and are nearly complete. Due to some significant changes to the standards, we want to assure the community of two things:

  Firstly, as we revise the curriculum please know that the district is committed to representing the ideals and values of the Rockaway Township Community. Therefore, we have chosen to focus the revisions on empathy and understanding. Our aim is to recognize the opinions and voices that have been expressed to us from the community, and do our best to meet the standards in a way that respects the values of our parents.

  Secondly, similar to when the standards were changed in 2014, parents will be permitted the option of removing their child from certain instructional topics. The district will clearly communicate to parents *when* certain topics are being taught, *how* they will be taught and the process for opting out.
- As stated in the July update, the district assessment calendar is now posted on the website for all parents and community members. It is our hope that providing this calendar now will assist families in their planning processes. Should there be any updates to this document, we will be sure to notify the community.
