

2026-27 Preschool Screenings

Southern Will County Cooperative for Special Education (SOWIC) will be conducting preschool screenings on the dates listed below. The screenings are open to any 3-5 year-old-child, not yet eligible for kindergarten, residing within the following school district boundaries: Channahon 17, Troy 30c, Laraway 70c, Union 81, Rockdale 84, Beecher 200U, Elwood 203, Peotone 207U, Wilmington 209U and Reed-Custer 255U. The purpose of the preschool screening is to assess development in the areas of vision, hearing, motor, speech, language, cognition and social-functioning. The preschool screening is designed to assess a child's development and assist in identifying children who may require further evaluation to determine eligibility for special education services or those who may be eligible for a state-funded preschool program. The screenings are by appointment and are provided at no cost to families.

Channahon families must complete registration on the District website prior to registering for a screening appointment.
