Dear Fifth Grade Parents & Guardians,

The Middle School administrators and guidance counselors will be hosting an informational session regarding the sixth grade curriculum and overall Middle School experience on **Tuesday, May 19, 2026 at 6:30 PM** in the Middle School auditorium. Please note this is a **parent-only event**. Following the orientation, a copy of the presentation will be posted on the Middle School website for your reference.

In the coming weeks, the fifth grade students will visit the Middle School during the school day for a guided tour with their class. They will also have the opportunity to "walk their schedule" over the summer once student schedules have been finalized. These activities are designed to help ease the transition and ensure your child feels comfortable and confident heading into sixth grade.

We greatly value our partnership with families and the wider school community, and we look forward to supporting you and your child through this exciting next step. We hope to see you on May 19th!

Warm regards,

MWMS Leadership Team
