'Old Dimensions, New Horizons'

Look back at your years at North Putnam and you'll probably think of dimensions — Old Dimensions.

You walk through the same halls of the same building for six years of your life. You might ask what made THIS year so unique. Our answer would be simple, "Everything!"

The 1989-90 school year brought new friends, feelings, and faculty to North Putnam. Under the direction of a new principal, vice-principal, and many other new faculty members, the school and the students experienced many positive changes.

One might say there was a new sense of school spirit, springing from a great year of athletics, mu-

sic, and academics. From sectional championships in volleyball and boys' basketball, to the first-ever sectional win in football, to State Finals for the band and Winter Guard, to a national win for the livestock judging team, we witnessed the North Putnam students contributing their best efforts to make this year one to remember.

As we began a new decade with such great achievements, we learned that dimensions rarely change, but people do. What made this year unique was change. When you look back at 1990, think of the people. Think of change. Think of New Horizons.

Scott Spencer shows his school spirit in more than one way.

An Experiment in Marriage

LEFT: Doug seals the ceremony with a kiss.

LOWER LEFT: The happy couple is all smiles after the ceremony.

On November 17, 1989 at 1:15 in the North Putnam library, Kristie Henson and Doug Parent were joined in marriage. The ceremony was officiated by Reverend Mark Miller of Greencastle. Kristie was given away by Mr. John Moser.

The Psychology and Sociology classes took tests on their views on marriage and family. The two that were most compatible were chosen for the wedding. When asked about the experience bride Kristie Henson commented, "It was a learning experience that was a lot of fun. Those don't come around too often." Groom Doug Parent felt the same way, "It was a lot of fun and very informative. The counseling that we had with Reverend Jerry Harris of Roachdale was very interesting." Psychology/Sociology teacher Betty Job told a little about the experiment, "We studied the students' personal traits and then by a test found a couple that was most compatible. It is proven that the more compatible a couple is, the more it is likely the marriage will last."

Lower Left: The wedding party left to right: Wendy Martin, Dustin Kennedy, Kristie Henson, Doug Parent, Chad Wehrman, Kelly Bryant.

Left: The newly "married" couple starts their life together by cutting the cake at the reception.

ABOVE RIGHT: Miss Indiana, Lisa Williamson speaks to the students about her ability to overcome physical and emotional abuse as a child.

ABOVE LEFT: The junior high sends aid to Guatamala in the aftermath of Hurricane Hugo.

Year

Border guards stand atop the Berlin Wall, awaiting reaction to the opening of East-West German borders on Friday afternoon, November 10, 1989. There was great jubilation after the opening, with thousands of East Germans moving into the West after all border crossing points were opened. In the background is the Brandenburg Gate.

The comic book hero BATMAN was the movie hit of the year, producing over \$200 million in revenue. Michael Keaton played Bruce Wayne, also known as Batman, and Jack Nicholson starred as The Joker.

At 5:04 p.m. on October 17, the earth shook in northern California. An earthquake that measured 7.0 on the Richter Scale destroyed parts of Oakland and San Francisco and surrounding areas. More than 60 were killed, hundreds were injured and the damage topped \$2 billion.

PAULA ABDUL is very popular. The 25-year-old choreographer, who got her start teaching Duran Duran and other groups how to dance, is now topping the charts herself, as a singer. She is also giving her former students a run for their money.

The highlight of the year for FFA members was competing in various judging contests throughout the nation.

The North Putnam FFA chapter won the team competition in the Eastern National Judging Contest held in Richmond, Virginia. After the team's trip, members were welcomed to school on Monday with signs reading, "National Champions" and "Congratulations FFA." North Putnam also attended the state and national conventions held in Lafayette and Kansas City, Kansas, respectively.

Other FFA events during the year included a car wash, dance, slave auction, and selling concessions at sporting events.

The primary aim of the Future Farmers of America is the development of agricultural leadership, cooperation, and citizenship. North Putnam's FFA pursued this goal under the leadership of Mr. Maier, and officers Jana Bowling, President; Dan Fry, Vice-President; Andy Wilson, Reporter; Amy Cruz, Secretary; Joy Albin, Treasurer; Sam Fry, Sentinel; and Missy Schoolcraft, Student Advisor. Altogether there were 45 members in FFA during the 1989-90 school year.

Marching Cougars Improve State Rank

The North Putnam Marching Cougars had a fantastic year! The Cougar Band improved its state rank from 4th to 3rd! The Marching Cougars participated in several contests on their way to the Hoosier Dome, and at each contest they improved their scores and received many awards.

At the District Marching Contest, where the Marching Cougars received a Division I, they captured the Music, Marching, and General Effect Awards. From there, they went on to Regionals where they were again awarded a Division I, and the North Putnam Marching Cougar Band became a 1989 State Marching Band Finalist.

In regard to how the Marching Cougars had done on the whole, Mr. Wilson states, "I feel the marching season was quite successful — each time the show was performed in competition it was better

than the time before." As Kristie Henson, a senior band member, saw it: "This was our best season and I was very proud to be a part of it." Another senior, Angel Hopkins, commented, "Of all the things I've been involved in at North Putnam, I'll miss band the most." "I think next year I will probably go through 'Marching Season Withdraw'," said Tania Walton.

The Marching Cougars' musical selection included a variety of tunes and tones. The band opened with "Prologue," in which rifles were introduced to the guard. Next was the low, smooth "Somewhere Out There" during which James Weaver did a trumpet solo. Then came the quick-tempoed "Russian Sailors' Dance" which featured the percussion section. The band's performance ended majestically with "Beethoven's Ninth Symphony."

"STUDENT LIFE"

Seniors enjoyed their last year of High School realizing that the days of 'fun-&-games' were coming to an abrupt halt. People say that High School is the best time of one's life, but this year's seniors said that the best was yet to come!

Underclassmen couldn't wait to be seniors. They said that the work was too hard and the hours too long. The Seniors said that too, but they got through it easier because they knew that this was their last year at N.P. The underclassmen will make it even though they get very discouraged at times. They just have to keep that graduation goal in mind at all times and the years will whiz by. Best of luck underclassmen, you'll need it!

Old Friends, New Times Spice Up Lunch

Where else in the corn fields of northern Putnam County can you find friends meeting to exchange rumors, problems, and plans but the NPHS cafeteria? Mrs. Nelson's menu gives us a touch of Mexico, China, and of course, that good ole Indiana cooking to add variety to our school days. Those days with plastic spoons and forks and closed coke room doors will always be remembered as "special days."

Life Begins At 3:27

The students at North Putnam just couldn't seem to wait until that last and final bell to ring. The students just scattered all over the building. Some left to go to work, while many stayed after school to help out with the play, or go to practices in some kind of sport, or other activities.

Some of the students were in many activities after school, such as wrestling, basketball or cheerleading practice. Many students stayed after to help rehearse for the plays. Many helped to prepare the pep bands, and pep rallies.

Homecoming week was one of color, excitement, and cheer. The spirit days, pep sessions, Queen election, football game, and the dance were all memorable events of the week.

The spirit days started out on Monday with inside-out and backwards day, progressing to Tuesday with blue and orange and mix-matched shoes day. Wednesday was favorite college day. On Thursday, we moved back in time with "60's" day. Friday, people enjoyed dress-up day. Each day, many people showed school spirit and throughout the week, the intensity grew stronger. By Friday, students everywhere awaited getting out of class early to go to the hour-long pep session. Students, teachers, and faculty participated in contests and challenges to decide who had the most school spirit.

Homecoming Queen and Princess elections were also stimulating parts of the week.

Football was serious business for our Cougar players. It was an interesting game against Danville. The Cougars were "psyched" and ready to give it their all. At the end of the second quarter, the score was 16-0, Danville ahead.

At half-time, after the Marching Cougars performed, the highlight of the evening arrived. As the Princess and Queen candidates were announced, the suspense thickened. Mr. Bays led up to the climactic moment and announced Miss Jenney Jessup as our 1989 Homecoming Queen.

The football was invigorating in the second half. The Cougars played hard, but lost to the Warriors, 19-14.

The dance following the game was exciting as well. WZPL "D.J.", Chris Davis, played great music that brought many North Putnam students from dampened spirits to good cheer.

At 11:30 p.m., Friday, September 22, the week's excitement came to a close. Our Homecoming week had ended.

The North Putnam Lady Spikers had their season of firsts. The Lady Spikers' record of 17-5 was the most outstanding season ever in the school's history. The WCC record was 7-2, enough to give them a four-way tie for first. The Lady Spikers began sectional play with a win over S. Putnam and captured the sectional title by defeating Greencastle. The team then went to West Vigo in the regional round and beat N. Vermillion. However, in the championship game, North Putnam fell to Terre Haute South. Mr. Price said, "This team overcame its downfall of quickness, height, and overall athletic ability. They're a special team."

Throughout the year, the Cougars dealt with much adversity, but managed to come out with what will be looked on as a moderately successful season. Although the team was only 4-7, vast improvements were shown from over the past few years. The Cougars won and lost a few close games.

They opened the season losing five straight games. Then came the turning point in the season when the team traveled to Cascade and brought home a 15-6 win. North then defeated Cloverdale in a tight contest. County rival Greencastle was the final regular season opponent for the Cougars. It was a close game, but the Cougars came up short 21-16.

Sectionals was next on the agenda. The Cougars drew Turkey Run and came home with a first-ever sectional win 6-0. The Cougars traveled to Cloverdale and won 35-7. In the sectional championship, the Cougars faced the South Putnam Eagles. The Cougars fell short, losing 21-7.

Daniel Johnson and Max Pipes were state-ranked individually throughout most of the year in passing and receiving respectively.

Cougar Girls Swimming

Although their record does not show it, the Lady Cougar swimmers enjoyed a season that was not too bad. They may not have won that many meets, finishing the season with a record of 1-8, but, the girls qualified four people for sectional consolation finals and broke two records during the course of the season.

Shannon Smeelink broke the 100 yd. Butterfly record with a time of 1:18.59, beating the old mark of 1:19.9. Shannon

also broke the diving record . . . again. Last year's 171.05 record was changed to 174.2. Amy Weddle, Shannon Smeelink, Wendy Martin, and Jennifer Carmichael all qualified for consolation finals in their respective events. Shannon also qualified for sectional diving finals. The 400 Freestyle team, consisting of Marcy Robinson, Jennifer Carmichael, Wendy Martin, and Shelly Rigger, qualified for the finals also.

This year's season had its ups and downs. The Lady Cougars started off with a fantastic win over Danville and then proceeded to take a roller coaster ride of obstacles to overcome.

Mr. Rose had his second winning season in the three years he has coached at North Putnam. The girls set their goals high and accomplished most. The girls won their first County Tourney by defeating South Putnam and Cloverdale. They also won their first sectional game of play in 15 years and later advanced to the sectional finals for the first time ever in Lady Cougar sectional history.

The girls had a great season and accomplished a great deal. With dedication, desire, and determination, the team achieved a record of 13-8, making it the best team ever. Mr. Rose left us with a few words of encouragement for the following years. "Next year we won't be rebuilding, just reloading."

The varsity boys' swim team had a less-than-glamorous 1989-90 season. The team only had nine swimmers, led by seniors Scott Spencer, Jim Miller, Jason Wehrman, Eddie Robinson, and Justin Galford. Others included juniors Damien Beard, Matt Hazlett, Mike Higgins, and sophomore Jamie Chappell. It was very hard for the team to be competitive with teams from larger schools.

Looking back over the past year, it was both exciting and trying for the cheerleaders and cheerlifters.

The highlights of the 1989-90 athletic season for the squads were cheering at the Sectional Championship game, cheering at the Regionals in Terre Haute, and cheering in front of the Indiana Pacers-Chicago Bulls crowd.

Being a cheerleader or lifter at North Putnam is not an easy job by any means. Many long hours go into hall decorations, planning pep sessions, and practicing for games. The main goal of the squads was to fire up the student body and community so they would cheer their Cougars on to victory.
