Dear Families/Caregivers,

As we prepare for another exciting season of athletic events in our district, we want to thank you for your continued support of our students and teams. The safety and well-being of all our students, families, and guests are our top priorities. As such, we are writing to remind families about the importance of parental supervision during athletic events held on school property. Children PreK - 6th grade must be accompanied by an adult at all times. This helps us ensure a safe and enjoyable environment for everyone. We kindly ask that you help us by keeping your children with you during games and avoid allowing them to roam unsupervised. Our staff, administration and event supervisors are focused on the operation of the games and safety on the campus and cannot provide supervision for unattended children. Additionally, please remind your children to respect school property and remain in designated spectator areas. For additional reminders and updates please find the poster attached and information below.

- No selling/distribution, possession, use of, or being under the influence of alcoholic beverages
- No selling/distribution, possession, use of, or being under the influence of tobacco products or e-cigarettes/vapes
- No firearms or weapons of any kind as deemed by the code of conduct
- No artificial noisemakers (air horns, cowbells, etc.)
- No animals allowed, except verified service animals
- No dangerous, disruptive, or inappropriate behavior (Subject to staff discretion)

Thank you for your cooperation and partnership in keeping our school events fun and safe for all. If you have any questions or require further clarification, please contact the athletic office. We appreciate your cooperation in helping us maintain a safe and positive environment for all students. Please feel free to reach out to the administration if you have any questions or concerns.

Thank you for your continued support.
