TIMOTHY A. OLDENBURG, Ed.D.
SUPERINTENDENT OF SCHOOLS

August 1, 2026

Dear Tonawanda Families,

The Tonawanda City School District is committed to fostering a strong, collaborative partnership between our schools and families. In that spirit, we are excited to extend an opportunity for you to become more deeply involved in shaping the educational experience for all of our students.

We invite you to participate in our **District and Building Committees** for the upcoming school year. These committees are vital to the growth and success of our schools and offer parents and guardians a meaningful way to contribute to district initiatives, share perspectives, and support student success.

The **survey linked below** outlines a variety of committees available at both the district and school levels. You'll find descriptions of each committee, along with details about meeting times, dates, and the time commitment involved.

Parent / Guardian Volunteer Survey

We encourage you to review the survey and consider where your interests and experiences might align. Your involvement has a direct impact not only on your child(ren)'s educational journey, but also on the continued progress of our entire district.

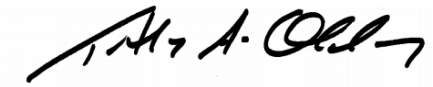

Joining a committee is a valuable opportunity to:

- Strengthen the connection between home and school
- Collaborate with staff and community members
- Support initiatives that enhance learning and student well-being
- Help us fulfill our mission to provide instruction, programs, strategies, and challenges in a caring, positive learning environment

Together, we can ensure that each student becomes a critical thinker, a lifelong learner, and a responsible, contributing citizen in a changing global society.

Thank you for considering this opportunity to be involved. Please note that not all interested persons may be selected based on the number of people interested in serving on these committees. We look forward to working together for the success of all Tonawanda students.

Sincerely,

Timothy A. Oldenburg, Ed.D.
Superintendent of Schools
