### Letter to Parents for School Meal Programs Special Provision Options (Provision 2 Non-Base Year & Community Eligibility Provision)

June 2, 2026

Dear Parent or Guardian:

We are pleased to inform you that Tonawanda City Schools will again be implementing a meal certification option available to schools participating in the National School Lunch and School Breakfast Program for the 2026-2027 school year.

#### **What does this mean for your child(ren) attending the Tonawanda Elementary and Tonawanda Middle/High School?**

All students enrolled at Tonawanda Elementary and Tonawanda Middle/High School are eligible to receive a healthy breakfast and lunch at school at **no charge** to your household each day of the 2026-2027 school year. Your child(ren) will be able to participate in these meal programs without having to pay a fee.

Each household is asked to complete the attached application in order to update our funding. **All families must complete a form each school year to ensure the program's continuation. Please complete the attached (green) CEP Household Income Eligibility Form and return it to school or drop it off at District Office Door 11 before September 7, 2026.**

If you have any further questions, please contact us at [TonaHR@tonacsd.org](mailto:TonaHR@tonacsd.org).

Sincerely,

Megan K. Warren  
Director of Human Resources & Financial Services  
Tonawanda City School District
