BUILDING A BRIGHTER TOMORROW

Stacey Johnson
Executive Director

Henderson Independent School District has long enjoyed a successful partnership with the community in supporting students and teachers. For 28 years, the Foundation has served as a bridge to enhance the link between the school district and the families, individuals, and businesses of the Henderson community. Through the awarding of senior scholarships and teacher grants, the Foundation has played a vital role in student success both in the K-12 setting and in post-graduation endeavors. However, our support has not just been monetary but is evident through recognizing a job well done, rewarding excellence in all fields, and providing a pathway to achieving goals. We are excited to continue to serve as a bridge toward "Building a Brighter Tomorrow"! Join us as we invest in the lives of the young people of Henderson ISD.
