The parent or guardian of every participant in the UIL student screening process must read and sign this waiver form prior to participation.

I am the parent or guardian of the student listed above. I understand and agree that this physical screening meets the UIL minimum requirements for a student athlete to participate in school athletic competition.

I understand and agree that UT Health East Texas, UT Heath East Texas Physicians, and UT Tyler Health Science Center Physicians conducting this screening shall not assume any responsibility or liability in case my child (or my children) is injured during any school athletic practice or competition. I expressly agree and understand that this screening does not take the place of a comprehensive physical examination. I knowingly, willingly, and voluntarily accept the risks of having my child (or my children) undergo only the minimum screening requirements.

Additionally, I agree and understand that UT Health East Texas Physicians and UT Tyler Health Science Center Physicians, who are performing these physical screenings shall not be held liable by me for any claims, demands, and/or expenses arising out of or related to the physical screening performed on my child (or children) to the fullest extent permitted by law.

I hereby acknowledge that the healthcare practitioner(s) is administering the pre-participation evaluation or medical screening without compensation and without expectation of compensation and further acknowledge the limitations on recovery of damages from the healthcare practitioner in connection with the pre-participation medical screening being performed.

I hereby knowingly and freely release and waive any and all claims, of any nature whatsoever, against UT Health East Texas as a result of any injury or illness occurring out of or relating to the screening and/or my child's (or children's) participation in school athletic practices and/or competitions.
