Arlington School District 21st Century Community Learning Center Afterschool Support Staff

Start Date: Week of September 21, 2026
Application Deadline: September 4, 2026
Schedule: Tuesday–Thursday, 3:30–5:30 p.m.; Fridays, 9:00 a.m.–2:00 p.m. on non-school days
Up to 11 hours per week

Position Overview

Arlington School District is seeking energetic, creative, and student-centered individuals to support our 21st Century Community Learning Center afterschool and Friday enrichment programs. Staff will help create a safe, welcoming, and engaging environment through academic support, recreation, enrichment, career exploration, and hands-on activities such as sports, art, cooking, music, STEM, games, and field trips. Staff may also support our new Youth Entrepreneurial Program (YEP) for high school students, providing opportunities to explore entrepreneurship, develop business ideas, and build real-world career skills through a partnership with Columbia Gorge Community College's Small Business Development Center.

Key Responsibilities

- Supervise and support students in a safe, positive environment
- Provide homework help, tutoring, and academic support
- Lead enrichment, recreation, games, sports, and student-interest activities
- Facilitate hands-on activities such as art, cooking, music, STEM, and technology
- Support clubs, field trips, and community-based learning
- Encourage teamwork, communication, creativity, leadership, and problem-solving
- Support career exploration and the YEP program, as appropriate
- Collaborate with afterschool staff, instructors, and community partners

Compensation

Educational Assistants: $21.50–$29.36/hour, based on the district's current EA salary schedule
Licensed Teachers: $32.01/hour, based on the district's current licensed substitute teacher rate
