Gilliam County Cloverbuds

What is 4-H?

Over 100 years ago, 4-H was established to help rural youth learn about the advancements in agriculture. Today, Oregon 4-H continues this legacy by creating educational opportunities for kids across Oregon. We teach agriculture and animal science to over 10,000 Oregon kids each year, and we also do more—a whole lot more!

What is Cloverbuds?

Cloverbuds is a specific 4-H program for youth between the ages of 5 and 8. Programming is non-competitive and specifically designed for youth in that age group. Cloverbuds focuses on hands-on fun activities that promote exploration in areas like science, art, and community service.

Who can enroll for cloverbuds?

Youth between the ages of 5-8 as of September 1st, 2025

When can you enroll?

Enrollment begins October 16th each year. Don't wait to get enrolled as many clubs begin meeting in the fall months.

What Programs Can Cloverbuds Participate in?

4-H Fridays

4-H Fridays is programming open to grades K-12 and focuses on a singular topic, from STEM to cooking to animal science. 4-H Fridays are open to all youth and happen in both Condon and Arlington. Specific information for 4-H Fridays is available as the dates arrive, so please keep an eye out for more information.

Cloverbud Club-

The Cloverbud club meets on a monthly basis for about an hour after school. Meetings focus on a particular craft or activity related to a project you can do in 4-H. Some 4-H clubs allow cloverbuds to be involved in their program. Please reach out to the 4-H office if you are interested in exploring those options!

Cloverbud Camp-

Cloverbud camp is a three-day day camp for cloverbud-aged kiddos. We participate in games, crafts, and usually a scavenger hunt or two. Camp occurs in the summer- so stay tuned for more details.
