Notes:

(1) The example publications included here are solely to hear taxpayer input at the tax request hearing. No action should be taken at the hearing. Action items should be completed at a regular meeting, ensuring that all requirements of the Open Meetings Act are followed.

(2) The sample publication is intended to assist subdivisions in meeting the publication requirements related to the Tax Request Hearing. This is a sample form only - it is not a required form. Each subdivision is responsible for ensuring their publication includes all information required by the statutes and the accuracy of the information presented. Each subdivision may need to modify the sample forms for the circumstances specific to your subdivision.

(3) If your subdivision is increasing the Property Tax request above the allowable growth percentage (2% plus real growth percentage), you are subject to the postcard notification and joint public hearing requirements of the Property Tax Request Act (§ 77-1633). You are required to attend the Joint Public Hearing outlined in § 77-1633. You are not required to hold the Special Hearing to Set the Final Tax Request as outlined in § 77-1632. You are still required to hold the Budget Hearing, regardless. If the tax request does not exceed the allowable growth percentage, you will continue to hold the Special Hearing to set Final Tax Request as has been done in the past.

(4) Levy calculation formulas will need to be updated if you have fund(s) with a different valuation from the standard district-wide valuation
