# Exciting Changes Ahead!

## Current:

## Future:

**CCS Arts Endowment Fund!**

**Read to see what we've been up to this summer . . . and find out what's up next!**

From the Desk of:

# The Superintendent

Dear Coleman Parents/Guardians, Students and Community Members,

**"At Coleman, there is always someone here to led a helping hand; every time you walk down the hallway, someone says hello! You truly can't beat the relationships we get to build with staff and students daily . . . I can see this community as the place my future children will call home."** This is just one of the many testimonials we hear from community, students and staff about Coleman Schools. You, the community, are part of our team, our traditions and part of what makes Coleman Schools our students' home away from home. We welcome any new residents or School of Choice families and welcome back to those who know the amazing opportunities available to every Comet student.

If you are excited to become a Comet but haven't been able to register yet, come on in. We're happy to answer all of your questions, give you a tour and share with you what makes Coleman special. Our greatest strengths are the talent, knowledge and care of staff members who strive daily for excellence in education and foster a love of our kids and the growth seen from those who remain in Coleman.

We are always building, striving and improving for our students and their families. We continue to grow our offerings to students, enhance the curriculum and improve the engagement in instruction. Research shows that three top elements to increased student achievement are a positive culture, an aligned K-12 curriculum and writing across the curriculum, which we emphasize. As a Leader in Me District, students and staff use the "The 7 Habits of Highly Effective People" in their personal and school life to become leaders daily. **More on Leader in Me on page 6.**

Coleman's materials and curriculum are updated consistently on a 4-year rotation cycle to ensure we utilize the most current and evidence-based instructional practices for all content areas. For the coming year, our focus was on Science and Physical Education and the materials and equipment are on their way. These factors have helped us to show tremendous growth over the past year. **Review our State Assessment Progress on page 10.**

Environment, also a factor that impacts achievement, stays on our minds as well. We've written a multi-phase proposal, "Cultivating Comets' Mental, Physical and Social-Emotional Wellbeing by Growing Their Talents, Leadership and School Pride" and sponsors or grants are being sought to improve our Jr/Sr High auditorium, Jr/Sr High locker rooms and gymnasium basketball hoops and Elementary playgrounds. **Read more on this on page 8.**

As a part of bringing the environment and instruction together, progress on the **Jr/Sr High bond** projects approved in November 2024 is updated regularly on the school website at colemanschools.net/bond. The project to improve safety and instructional spaces in the building will begin in May 2026 and be completed by September 2026. Planning for the projects has been in process since January.

Additionally, **solar panels** are being installed in the District near the athletics barn and the baseball field. As part of MISEC Brite, a consortium specifically designed to support schools throughout the state, and in collaboration with NorthStar, there is no cost and only savings to the District for this project over the next 25 years. The project was approved by the Board of Education after over a year and a half of communication and planning. Teachers will also be able to use the solar panels with students for learning and NorthStar will support presentations in the classroom. **You can find all the project updates on the Facilities Updates webpage at** www.colemanschools.net/facilities.

We hope you will find this newsletter informative as you are starting the year. Please feel comfortable sharing your ideas or thoughts as we move forward together by contacting myself or other administrators at any time. We look forward to helping your child find a niche in school, learn about ideas of interest and use their skills to achieve his/her own vision of success. Thank you for emphasizing on time, all-day attendance and a strong, persistent work ethic so they can become leaders within their community and beyond. Here's to a great first week!

# Where to Access District Information

- Email or schedule meetings with staff
- Call or stop by the school offices
- Watch NBC25/FOX66/CW46, look for posts on the school website/Facebook page, or listen for a call notifying you of school closings
- District social media (linked on front page)
- Sign up for Skyward to access your child's grades and progress reports
- Sign up for Rooms to keep up with your child's classes, sports, and extracurriculars (See below)

## Sign Up For Rooms!

**New this year: receive Rooms messages as a text directly to your phone - whether you have the app or not!** Rooms is a two-way communication tool between parents and students and their teachers, coaches or advisors, all based in the 'ColemanComet' app. Upon signup, you can view information for your child(ren) and their classes, clubs and sports. Reach out to a secretary to get set up! For additional help or troubleshooting, try the live chat feature in the app or contact us at PR@colemanschools.net.

Download on the App Store | GET IT ON Google Play

Download the **Coleman Community Schools, MI** app from the iOS App Store or Android Play Store and enable Notifications.

GREATER MIDLAND COLEMAN FAMILY CENTER

## AUGUST:

**7th: Backpack Giveaway**
**11th: Youth Cheer Begins (4th - 8th Grade)**
**18th: Flag Football (Young 5's - 3rd Grade)**

**For more information on these events and more, visit facebook.com/colemanfamilycenter**

# Upcoming Dates

## August 11th
**Fall Sports Practices officially start (athletes must have their physicals to practice!)**

## August 18th
**Elementary Open House 5:30 - 6:30 pm**
**Jr/Sr High Open House 6 - 7 pm**

## August 19th
**First day of school; full day for both buildings - 8:00 am**

## August 29th - September 1st
**No School - Labor Day Weekend**

## September 18th
**Powderpuff Football time TBA**

## September 19th
**Homecoming Assembly - 2 pm**
**Homecoming Parade - 5:30 pm**
**Football Game - 7 pm**

## September 20th
**Homecoming Dance 7 - 10 pm**

## September 29th
**Flu Shot Clinic (Staff & Students only)**
**3 - 4 pm; Jr/Sr High Auditorium**

Visit our Back-to-School webpage at colemanschools.net/b2s for classroom supply lists, handbooks, calendars, and more!

## First Day of School
*August 19*

**Full day of school**
**Elem: 8 am - 3 pm**
**Jr/Sr High: 8 am - 2:50 pm**

## Student Hours

**Elementary**

Full Day: 8:00 am - 3:00 pm
Early Release Wednesdays: Release at 2:00 pm
Half Days: 8:00 am - 11:30 am

**Jr/Sr High**

Full Day: 8:00 am - 2:500 pm
Early Release Wednesdays: Release at 1:50 pm
Half Days: 8:00 am - 11:20 am

**If your child requires bussing, is within the routing area and did not receive transportation last year or your address has changed, contact Mr. Cowell at 989.465.6811 or mcowell@auxilioservices.com.**

**We will continue providing pickup/dropoff locations for all students living in the city limits in addition to our regular routes. We hope this will continue to ease the burden for our Comet families.**

- **Students who did not ride regularly last year or who are newly enrolled should contact Transportation to ensure they are routed**
- **Bus assignments and times will be sent out by text and/or e-mail by August 15th, provided the student rode regularly last year or their information has been received by the department by August 8th; others will be routed in the order in which they are received**
- **Drivers will contact families with kindergarteners and new students prior to the start of school with pick-up, drop off times, and boarding procedures**
- **Students may have assigned seating**
- **Bus riders cannot ride to unassigned student stops (Parties, sleepovers, study groups, etc.**

**Breakfast and lunch are free to all students again this year** through the District Food Service Fund and the federal Community Eligibility Provision (CEP) program based on current participation rates. **It is imperative, however, that families still fill out the Education Benefits Form** at the QR code below or in one of the school offices. This is important whether or not you believe you will qualify or ever use it. A significant portion of our school funding through Title and At-Risk funding is based on those who fill out the application. This funding benefits our students via paraprofessional staffing, books, social work, technology and other materials and resources. Student/family information is confidential, but the number of qualifying students is used by the Federal and State Government to determine funding for several of our grants. **Also, we welcome Ms. Sharon Nestorak who will be our new Food Service Director this year.** Thank you for helping us serve your children!

From the Desk of:

# The Jr/Sr High Principal

Welcome to August, meaning summer is quickly coming to an end and a new school year is almost upon us. I hope you had a wonderful summer full of time with those you care about, some extra adventures, some relaxing moments, and some great memories made.

While our pace was a little slower with the majority of students away, we still forged ahead with great things for our students. Summer school was a success this year for our students who participated. About 21 high school students attended and earned back a handful of credits. The junior high students participated in the Ignite program. They worked on math, reading, writing, e-sports, other sports, cooking, crafting, and some other fun outdoor activities. In addition, our food service crew served our summer school students. Also, our custodians and student summer crew have worked hard sprucing up our building so it is ready for this next year. Finally, our office staff has been preparing for another year full of solid educational experiences for our students.

We look forward to working with you as students, parents, and community members to have another successful school year. Your support and partnerships will help us continue to create tomorrow's leaders through academics, arts, athletics, and agriculture.

*Jennifer Hess*

**Jr/Sr High School Principal**
jhess@colemanschools.net

*Coleman Community Schools*

# OPEN HOUSE!

## AUGUST 18, 2025

FREE MEAL!

Coleman COMETS

**ELEMENTARY 5:30 - 6:30 PM**
**JR/SR HIGH 6:00 - 7:00 PM**

*Games & Prizes!*

*Open to the Community!*

**PREPARE • ENROLL • INQUIRE • HAVE FUN!**

# *You're Invited!*

Students and non-students alike are welcome to visit the Elementary or Jr/Sr High Open House for a free meal and access to community youth resources!

Current students can plan on receiving their class schedules, learning who their teachers are and meeting them, testing out their locker combinations, picking up their new handbook, and visiting with friends and staff members.

This year, we are introducing some games and activities, including the chance to win PRIZES!

Don't miss this community event! We can't wait to see you all soon!

From the Desk of:

# The Elementary Principal

The beginning of the 2025-2026 school year is nearly upon us! We are excited preparing (Be Proactive) for the return of our leaders. We are anxious to see everyone and hear all about your summerl! We hope that your family has been able to take some time this summer to relax, recharge, and rejuvenate (Sharpen the Saw) in preparation for the learning and fun that we have planned for the upcoming school year (Begin with the End in Mind).

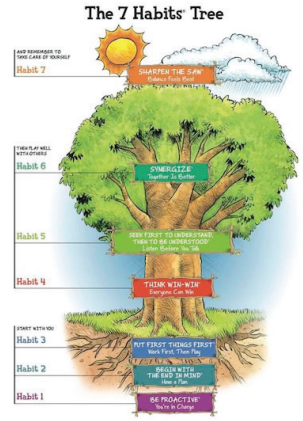

Please plan to join us for our annual Open House Monday, August 18 from 5:30-6:30 PM. For our elementary school families: Your Parent/Student Handbook will be available at the front of the elementary school as you make your way to visit classrooms, meet teachers, eat a light meal, and visit with local organizations. Be sure to stop by the gym to meet the community providers who will have information and prizes to share. Student classroom placements will be found on the front of each family's handbook, and class lists will be posted outside of each classroom. We hope that you will join us!

Enjoy the final days of summer vacation (Sharpen the Saw)! We are looking forward to seeing you soon.

*Cindy Araway*

**Elementary School Principal**
caraway@colemanschools.net

## Coleman is a Leader in Me District!

Coleman Schools adopted the evidence-based Leader in Me framework in 2017 to help empower K-12 students, educators, and families with essential leadership and life skills preparing them to excel . . . and we're loving it! The Leader in Me program is based on Stephen Covey's "7 Habits of Highly Effective People".

### The 7 Habits are:

**Be Proactive**
**Begin with the End in Mind**
**Put First Things First**
**Think Win-Win**
**Seek First to Understand, Then to Be Understood**
**Synergize**
**Sharpen the Saw**

Following parking lot and loop procedures is crucial for elementary school safety during drop-off (7:30-8:30 AM) and pick-up (2:30-3:30 PM).

**One-Way Loop:** Enter only from Washington St, exit only onto Shaffer Rd (forming two lanes). No entry from Shaffer Rd or exit onto Washington St during these times.

**Curbside Lane:** For drop-off/pick-up, do not leave unattended vehicles. Park in a marked space if you need to exit your car.
**No Double Lane:** Avoid creating a second lane alongside the curb to prevent danger and blockages. Pull forward as much as possible before students exit your vehicle.
**Adult Supervision:** Students crossing traffic must be accompanied by an adult. Adults who park should meet their child and escort them safely.

Thank you in advance to all family and community members for following these directions! With your care and cooperation we can keep students safe as they arrive for or leave from school. If you have questions or concerns about details relating to the parking loop, please see Mrs. Araway in the elementary office.

## Homeschoolers!

Contact us to find out how you can enroll your student in one or more of our classes or unique programs for just a few hours a day!

## School of Choice Students Welcome!

Any K-12th grader may apply at CCS under the School of Choice laws of Michigan for the 2025-2026 school year. Application may be made for all grades with unlimited openings. Parents/guardians are responsible for School of Choice student transportation. Application must be made to the school district no later than the end of the school day Friday on August 22, 2025. This is the end of the first week of school. Past this point, a release from their resident district is required. For more information, please contact the school office.

**Visit our school offices, app, or colemanschools.net/enrollment for more information!**

Find more clinic information at colemanschools.net/sbhc or check out MidMichigan Community Health Services.

# School-Based Health Center

**A Convenient and FREE Way to Keep Your Child(ren) Healthy**

In collaboration with MidMichigan Health, Coleman Schools hosts a School-Based Health Center in the elementary school year-round, available to all Coleman Schools K-12 students. This provides a local option for parents and their children to see a Physician's Assistant (PA)/nurse or Counselor. All parents will receive a call from the school office if they believe your child could benefit from going to the Health Center. Consent forms will be shared with First Day Packets this year or can be found on the Health Center page of our website and must be filled out each school year. The clinic is available for sports physicals right now, too! Best of all, because all funding for this program is through a State grant, it does not impact the District budget in any way. They will ask for your insurance, but any costs insurance does not cover (as well as those without insurance) are paid for through the grant or MidMichigan Health. We are so thrilled to continue offering this unique option for Comet families!

# Culinary Program Updates

The Coleman Culinary CTE Program, which enrolls students from across Midland County, has been a part of our District now for three school years. We are excited to announce that we have now officially purchased the culinary building, formerly the Yesterday's Depot Restaurant, due to the support of grants from the Herbert H. & Grace A. Dow Foundation, the Rollin M. Gerstacker Foundation, the Strosacker Foundation, the Midland Area Community Foundation and the Midland Area Youth Action Council. We look forward to see the potential of our students and community grow with this exciting change. Thank you to Mr. Denny and Mrs. Wanda Lewis, the former owners of the building, for working with us over the past few years and keeping this historical building so well preserved. Stay tuned this fall for more exciting news from the program!

# Cultivating Comets!

## A Multi-Phase Proposal to Improve District Facilities

**A multi-phase proposal, "Cultivating Comets' Mental, Physical and Social-Emotional Wellbeing by Growing Their Talents, Leadership and School Pride" has been written and sponsors or grants are being sought to improve our Jr/Sr High auditorium, Jr/Sr High locker rooms and gym basketball hoops, and Elementary playground.**

**This spring, a grant through the Midland Area Community Foundation was approved for $60,000 toward the auditorium along with $8,000 from Mary Currie and $10,000 from the Midland Area Youth Action Council. This fall, we will use those funds to refurbish our stage, curtains and pulley system and auditorium seating. We will move on next to the other phases of the project and share the info with you along the way. The Tony Garcia Foundation has already donated $2,750 as a kick-start to the campaign for the locker rooms. Should you have an interest in contributing to any of these projects or know of an organization that might, please reach out to Mrs. McCormack by phone or email. Donors are welcome to indicate which project they wish their funds to go to.**

**View info & progress on facilities here:**

**colemanschools.net/facilities**

From the Desk of:

# The Athletic Director

The spring sports season concluded with a series of remarkable achievements and accolades. The **softball** team started out their season with a 5-13 record, but then concluded with a remarkable run that reversed that record, finishing at 18-18. The team is young, with eight freshmen playing a significant role.

At the MSAC All-Conference meeting, Kendall Allen, Isabelle Lewis, and Klaira Sysak were all honored with second-team recognition. Eliza Lewis was named an Honorable Mention. In the All-District voting, Isabelle Lewis was recognized as a utility player, while Sysak was selected to the All-District team as a catcher. Notably, Sysak was also recognized as an All-Region and first-team All-State catcher. The Midland Daily News Dream Team also recognized several Comets. Isabelle Lewis was named to the Dream Team, and Sysak was selected as a second-team All-Area player. Allen and Eliza Lewis were honorable mentions.

In the realm of **baseball,** freshman Parker Klopf was recognized as a second-team all-conference performer, while Zayne Lytle received an honorable mention. Lytle joined sophomore Asher Hess as Honorable Mentions for the Midland Daily News' All-Area team. Additionally, junior Aden Aultman was awarded an Academic All-District award, while Jared DeVrieze was recognized as an Academic All-Region player. Senior Travis Murray garnered the most accolades, being named to the All-Conference first team for the fourth consecutive time as a first baseman. Murray was also recognized as an All-District and All-Region first baseman and was named an honorable mention All-State performer and second-team All-Area by the Midland Daily News.

On the high school **track** team, one female athlete, one male athlete, and a boys' relay team participated in the State competition at the conclusion of the season. Senior Emily VanSickle competed in the high jump, where she holds the school record. Sophomore Alex Lyon qualified in the pole vault and finished 19th in the State. On the junior high level of the track competition, eighth-grade boys Noah Moran, Eli Baker, and Sincear Czarnecki all participated in the Mid-Michigan MEGASTARS meet. Noah finished 15th in the long jump. Seventh grader Danny Wiggins also finished 15th in the girls' pole vault, and two Olivias also competed. Olivia Crafard competed in the long jump, while eighth grader Olivia Hegel finished 7th in the long jump and set a school record, finishing 2nd in the high jump.

Upcoming high school tryouts for football, volleyball, and cross country will take place on August 11th, with junior high sports beginning about a week later. Additionally, information regarding the transition to Final Forms for the athletic department will be distributed via email before the publication of this article.

Kindly check your inbox if you have not yet received this information, and remain informed about athletic developments by visiting the school website and reading the athletic newsletters throughout the year. Schedules will be posted by the end of July, and rosters will be updated as soon as tryouts are complete. We are looking forward to a great year for our athletes and families.

Kevin Cliff

**Athletic Director**
**Jr/Sr High MTSS Coordinator**
**kcliff@colemanschools.net**

Visit colemanschools.net/athletics for access to schedules, team social media accounts, weekly athletics newsletters, and more!

# State Assessment Scores

The MISchoolData State School Growth Index component aggregates the percent of students that are on track to reach or maintain proficiency within three years in English Language Arts (ELA) and Mathematics including scores from M-STEP, SAT and MI-Access State assessments. Coleman Schools Growth Indexes are as follows:

**Coleman Elementary Growth Index 82.48%**
**Coleman Jr/Sr High Growth Index 72.65%**

Over 80% of Elementary students and over 70% of Jr/Sr High students are on track to reach proficiency in both Math and ELA within three years. **These growth percentages are significant, not something that occurs at the majority of schools and show that those students who stay with Coleman Schools, no matter where they started, make significant gains.** We're so proud of our Comets and their hard work!

SPARKS
SPARKS AT THE NEXT LEVEL
Ignite

**In collaboration with Clare-Gladwin RESD, we are continuing the SPARKS/Ignite Before and After-School program. The 7-12 grade Ignite program provides assistance with academics, homework, and the opportunity to participate in E-Sports. Athletes and those in extra-curriculars can use Ignite to keep on track with classes and stay eligible to play. The K-6 SPARKS program provides hands-on activities and learning focused on literacy and STEM State standards while engaging students' interests.**

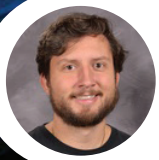

**Both programs are FREE, provide snacks/dinner and transportation and also run for 6 weeks during the summer. If you are interested in one of these programs for your child, contact your child's school office and they will put you in touch with the SPARKS/Ignite staff. Our staff and coordinators, many of whom work for Coleman Schools, will ensure your child is safe, learning, and has a great time doing it.**

# Job Opportunities!

**Check out colemanschools.net/employment to apply. Join the Comet Family!**

- Class of 2029 Advisor
- JH Student Council Advisor
- STAR Leos Club Advisor
- HS Robotics Advisor
- JH Robotics Advisor
- LEGO League/LEGO League Jr. Advisor
- Elementary Reading/Writing Interventionist
- Paraprofessional
- Bus Drivers/Aides (Auxilio)
- Substitute Teachers/Paraprofessionals

**Haven't done the job before but think you might be great at it? A little nervous about learning something new? We are willing to train for the right person!**

"Despite hiring in as an outsider, I've never been made to feel like one. It's easy to forget I spent most of my life disconnected from this community. Coleman Schools is a place where one can do something real with their ambitions. Most places aren't ready to let people soar."

*- Jesse Kalitta* **Jr/Sr High Teacher & Varsity Boys' Track Coach**

COLEMAN ELEMENTARY PTO

Hello from the CES PTO! This parent/teacher organization has been working hard to plan for the 2025-2026 school year. Our first event is **Movie Night on August 22nd** at the school. We would love to see you there! Other dates and info to keep in mind: **Meetings are the 2nd Monday of every month.** All are welcome, no commitment necessary! VOLUNTEERS are always needed for popcorn days, Christmas Shoppe, Carnival, and many others. Reach out to us at colemanelementarypto@gmail.com or find us on Facebook @colemanPTO for more information. We look forward to a great year!
