Dear Claremont Avenue Families,

We are happy to announce that Claremont Avenue will be participating in the National Walk to School Day again this year. Walking to school has the potential to create multiple positive benefits for your family and the community. Walking promotes healthy habits through physical activity, pedestrian and bike safety, helps our environment, reduces traffic, and creates opportunities to have conversations with your child while walking to and from school.

Our Fall Walk to School will take place on Wednesday October 14th, 2026. Our school community will walk the route from Springwood Swim Club at 150 McKinley Avenue, Colonia, NJ to our school at 90 Claremont Avenue, Colonia, NJ. Our intention is for those families that live along the route to join us, as the group passes by their homes and streets while families that do not live along the route, can park at the swim club and join our walk from the beginning. For families that will be departing from the Swim Club, we will be organizing our group at 8:00am, with an 8:20am departure to school. The route is .7 miles and is roughly 20 minutes when walking at a slow pace.

Route:

Starting at 150 McKinley Ave
Right onto North High Street
Right onto Cleveland Avenue
Left onto Montrose Avenue
Right on to Water Street
Left onto Kensington Avenue
Left onto Claremont Avenue

Safety is our top priority. Students must be supervised by a parent/guardian to participate in the walk. Please RSVP by Friday, October 9, 2026, through a Google Form at the following link:
