

School Spirit Sticks Are Back!

Lynn Crest Families,

Spirit Sticks are small embroidered patches that students can collect and display on a keyring (Spirit Ring), right on their backpack. Spirit Sticks promote school spirit and participation throughout the school year.

The Spirit Sticks will be sold through an order form which will be sent home monthly (see back). Right now, we will be selling new Spirit Sticks and ones that we have in stock. Therefore, quantities could be limited on some of the choices. The Spirit Sticks are \$1 each, and the Spirit Rings are \$5 each cash only. You can send in the order form filled out with student's name, grade, teacher's name, payment and their choices for the month.

Thank you!
