The Open House program is designed for parents and teachers. To this end, please make every effort to have your students and their siblings remain at home.

Individual students' progress will not be discussed at our Open House. Student-specific academic and behavioral progress will be addressed at our Parent-Teacher Conferences later this year. For concerns or questions about your child's progress prior to our scheduled conference dates, please reach out to their teacher via phone or email at any time.

I look forward to seeing you next Wednesday.

Best,

Mr. Connelly
