Dear Lynn Crest Students and Families,

It is with great honor that I introduce myself as the Principal of Lynn Crest School #22. My passion for education, as well as my desire to support *all* students, has been shaped over the past 25 years as a teacher, supervisor, assistant principal and principal in the Woodbridge Township School District. In each of my roles, I have sought to ensure the success of each student and each school by supporting instruction that promotes knowledge, skills and values. Similarly, it is my number one priority at Lynn Crest School to meet each child's needs for social, emotional and academic growth.

A well-rounded education means outstanding instruction from exceptional teachers, as well as opportunities and supports that enable students to develop character and cultivate passions. Our teachers "know" their students, identifying strengths, challenges and passions while striving for a positive school experience and love of learning. Our dedicated staff works very hard to meet the individual needs of all students, and maintain personal connections with their families.

An excellent education is not possible without a significant cooperation and collaboration between stakeholders. Throughout my time here I have had the privilege of getting to know the amazing students, parents and staff of Lynn Crest School #22, while also learning about the school's rich history and tradition of success. One of the greatest takeaways from these conversations with stakeholders has been the immense enthusiasm and pride for the school and community they maintain. This comforts and encourages me, as I recognize that our children will be more successful when we work as a team to achieve our instructional and developmental goals.

All parent memos for the school year will be posted below. As always, please do not hesitate to reach out to me if you have any questions, concerns, or ideas that you would like to discuss.

Regards,

Matthew Connelly
