Program Information

Our lab based programming means your children will have unique and fun activities daily.

- **Challenge Lab:** Fun and intellectually stimulating games that will activate students' brainpower and competitive instincts.
- **Art Enrichment Lab:** Hands-on activities that utilize a variety of mediums to challenge students to create in new ways.
- **Physical Lab:** A wide variety of physical challenges and games that will get students moving and playing.
- **STEM Lab:** Engaging and fun activities that foster student interest in Science, Technology, Engineering, and Math.
- **Reading Lab:** Group reading of age-appropriate books led by teachers.
- **Academic Lab:** Time devoted to supporting students in completing that day's assignments.

What New Jersey Families Are Saying About Leading Edge

"Wonderful care with a focus on skills that will benefit my children academically. My kids love the teachers, and I always receive updates on how my kids are doing from the teachers as well."

"My daughter loves the program and never wants to leave."

"They care about the students, get to know them individually, and treat them like their own. My son loves the gym time and socialization."

"I appreciate the homework support my child receives. It allows me to have better quality time in the evening!"
