Attendance affects learning

- Arriving to school on time sets your child up for success and sets the tone for the rest of the day.
- Arriving late causes your child to miss valuable instruction.
- If your child is 15 minutes late one day a week, he or she could miss as much as 9 ½ hours of school!
- If your child misses a day of school, an excuse must come the day they return for the absence to be excused. We can accept excuses up to three days of the student returning.

Attendance Incentive

As part of an effort to increase student attendance, decrease student tardiness and provide continuous support for students and families, Poca Elementary will implement a new attendance incentive this year!

The new incentive will be an opportunity to win a gift card for a family fun event. Names will be added to a drawing each nine weeks.

To qualify for drawings, students must have:

- Perfect Attendance for the nine weeks
- If we do not have a student with Perfect Attendance, Faith Attendance (fewer than 3 absences and zero tardies)
