1st Grade: 6:45 p.m.

December 11: Popcorn Day

December 23 - January 1: Christmas Break

January 4: School Resumes

News

Cold Weather Gear

Please ensure your child(ren) come to school dressed appropriately for the weather. Don't forget to label all coats, gloves, hats, and other items with your child's name to help prevent items from ending up in the lost and found. Thank you for your help!

Feeling Under the Weather?

To help keep our students and staff healthy, please remember that children must stay home until they have been **fever-free, without the use of fever-reducing medication, for 24 hours**. Students must also be free from vomiting and diarrhea for **24 hours without medication** before returning to school.

Rising Stars Youth Travel Basketball League

A competitive level travel league for 5th and 6th grade boys. Sign-ups are due to the office by Monday, November 30. Please see the permission slip for details.

Chartwells Lunch Menu Update

Please note the following changes to our lunch menu:

- **Monday, November 23:** Daily Alternate Choice will be Chicken Tenders.
- **Tuesday, November 24:** Hot Lunch Choice will be Cherry Blossom Chicken.

A Note from the Principal

Lake City Elementary Families,

What a wonderful week at Lake City Elementary! Our students enjoyed some special experiences, learned a little "sweet" science, and had plenty of reasons to smile!

A huge thank-you to Friends for Students of LC Schools and Bombas for generously gifting every student socks! The excitement and joy on our students' faces when receiving their socks were truly priceless. We are so grateful for this thoughtful gift and the kindness shown to our school community!

We also enjoyed a special assembly from The Science of Cotton Candy! Students explored the science behind this favorite sweet treat and learned how simple sugar is transformed into the fluffy cotton candy we all know and love. They discovered how heat, spinning, and chemistry work together to create those tiny sugar strands. Of course, the best part was getting to enjoy a taste test of their own!

Looking ahead, we have a short week next week with only two days of school before we head into the Thanksgiving break. We hope everyone enjoys the extra time with family and friends!

As we enter the Thanksgiving season, we are especially thankful for our wonderful students, families, staff, and community partners. Thank you for being such an important part of Lake City Elementary!

Have a wonderful Thanksgiving!

Trojan Pride,

Principal Hamilton

P.E. News

Week 3 of our **No Sugary Drinks November** challenge is in the books... that means we're in the home stretch of our challenge!
Next week is our final week of the monthly challenge. Please remind your child(ren) to return their tracking sheet the week after Thanksgiving so it can go up on our Wall of Fame.

Proud to be a Trojan

Music Note

Music Class has been so much fun! Kindergarten has been continuing to work on steady beat and musical opposites (fast/slow, loud/soft, high/low), and First grade is continuing to work on rhythm and melody. Second graders are also learning about rhythm and melody, and are learning about meters as well. All Kindergarten, First, and Second Graders have learned to sing and play some Thanksgiving games too!

Third, Fourth, and Fifth graders are learning about music and instruments from Australia. We learned a dance from Australia as well! Third, Fourth, and Fifth graders have been continuing their studies on rhythm and melody, and have added more instruments to their music making.

Thank you to those of you who attended the 4th and 5th Grade Veterans Day Concert! I was very pleased with the turn out, and thought the students did a great job! I look forward to next year's Veterans Day Concert!

Please join us for the **Kindergarten and First Grade Christmas Concerts on December 8th! Kindergarten will begin at 6:00 p.m., and First Grade will begin at 6:45 p.m.** Please have your student arrive at the gym 15 minutes before their concert begins. Can't wait to have you hear their sweet singing voices!

In song,
Mrs. Jessica Wall
Preschool-5th Grade Music Educator
